Oliver (horse).....	1 1/2

Because planter boxes vary in size, these suggested measures of HEPTALUBE Seed Treater are approximate, and should be applied at 1/2 to 3/4 ounces per peck on seed corn.

**WARNING**

Do not breathe vapor or dust. Do not get on skin. Hazardous if swallowed, inhaled, or absorbed through skin. Use clean clothing daily. Wash thoroughly with soap and water after exposure and before eating or smoking. In case of spillage on person or clothing, immediately remove clothing and flush skin with plenty of water. Do not contaminate feed or foodstuffs.

For eyes flush with plenty of water for at least 15 minutes and get medical attention.

During commercial prolonged exposure in spray mixing and loading operations, wear clean synthetic rubber gloves and a mask or respirator of a type passed by the U. S. Bureau of Mines for Heptachlor protection. Do not apply or allow to drift to areas occupied by unprotected humans or beneficial animals.

Rinse equipment and containers and dispose of wastes by burying in non-crop lands away from water supplies. Containers should be disposed of by punching holes in them and burying with wastes, or by burning. (Keep out of smoke.)

## DIRECTIONS

Mix thoroughly with seed in a barrel, bucket, planter box or drill box at the following rates:

	RATE — OUNCES	RATE — Plastic Measure (level)
CORN	1/2 to 3/4 per peck 2 to 3 per bushel	1 Only 3 to 4 1/2 Only
SORGHUM and MILO:		
Flax Wireworm	3 per 100 pounds	12 Only
Kaffir Ants	5 per 100 pounds	9 Only
SOYBEANS	1 per bushel	4 1/2 Only
WHEAT	1 1/2 to 2 per bushel	2 to 3 Only
OXYS and BARLEY	1 1/2 to 2 per bushel	2 to 3 Only
SWEET CORN	4 to 6 per 100 pounds	6 to 9 Only

Temporarily protects seedlings and seed of seed corn, sorghum, soybeans, small grain, and sweet corn against attack by wireworms, seed corn beetle and seed corn maggot.

HEPTALUBE SEED TREATER contains a special lubricant to facilitate accurate planting, and prevent clogging of planting apparatus.

This product is toxic to fish and wildlife. Keep out of lakes, ponds, and streams. Do not apply in any manner not specified on the label. Treated seeds exposed on soil surface may be hazardous to birds and other wildlife.

NOTICE: Buyer assumes all risks of use, storage, or handling of this material not in strict accordance with directions given herewith.
