[449-492] MALATHION 25% WP
1 of 2

ACTIVE INGREDIENTS:	
Malathion*	25%
INERT INGREDIENTS:	75%
TOTAL	100%

*O, O-dimethyl dithiophosphate of diethyl mercaptosuccinate

CAUTION
KEEP OUT OF REACH OF CHILDREN

CAUTION Harmful if swallowed. Avoid prolonged breathing of spray mist or dust. Avoid prolonged or repeated contact with skin. Wash thoroughly after using. Avoid contamination of feed or foodstuffs. Keep out of reach of children and domestic animals.

This product is toxic to fish. Keep out of any body of water. Apply this product only as specified on this label.

Rinse equipment and containers and dispose of wastes by burying in non-crop lands away from water supplies. Containers should be disposed by burying with wastes or by burning. (Keep out of smoke.)

DIRECTIONS FOR USE

This product is for use by the commercial grower or commercial applicator. Pour recommended amount of this material through screen on surface of water in partially filled spray tank or pre-mix in a bucket half filled with water and pour into nearly filled spray tank. Add balance of water to fill tank. Keep agitator running during filling, mixing and spraying operations. Do not allow mixture to stand. Do not use in low-volume gear-type spray equipment. Do not combine wettable powders with emulsifiable liquids in the same spray tank unless previous use of the materials being combined has proved them to be physically compatible.

RECOMMENDATIONS
