DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR EXTERIOR USE ONLY.

This product is intended for use on exterior wood surfaces of buildings, bridges, and other structures. It is not intended for use on interior wood surfaces.

For best results, this product should be applied to clean, dry wood surfaces. The product will penetrate into the wood and provide long-term protection against decay, insect damage, and other wood-boring organisms. It is particularly effective on exterior wood surfaces that are exposed to weathering and moisture.

When used on exterior wood surfaces, this product will provide long-term protection against decay, insect damage, and other wood-boring organisms. It is particularly effective on exterior wood surfaces that are exposed to weathering and moisture.

Estimated coverage: 100 sq. ft. per gallon on smooth surfaces. For rough surfaces, coverage will be less.

STORAGE AND DISPOSAL

PROHIBITIONS: Do not contaminate water, food or feed by storage or disposal.

PESTICIDE DISPOSAL: Pesticide spray mixture or rinsate that cannot be used according to label instruction must be disposed of according to Federal, state or local procedures under the Resource Conservation and Recovery Act.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and offer for recycling or reconditioning, or dispose of in a sanitary landfill, or by other approved State and local procedures.

LIMIT OF WARRANTY AND LIABILITY

This company warrants that this material conforms to the description on the label and is reasonably fit for the purpose intended. It does not warrant that the product will be effective in all cases. The user assumes all responsibility for the proper use of the product. This warranty is limited to the product and does not cover the labor involved in its application. For more information, see the Material Safety Data Sheet (MSDS) for this product. **WARRANTY IS LIMITED TO MERCHANTABILITY.** This material is sold as a commodity and is not intended for use as a pesticide. It is not registered with the EPA as a pesticide.

FOR INDUSTRIAL USE ONLY

WOODTOX® PRE-PRIME READY TO USE

WATER REPELLENT WOOD PRESERVATIVE

Specially formulated for treatment of millwork prior to factory or field priming. Meets NWMA standards.

WARNING! KEEP OUT OF REACH OF CHILDREN.
See side panel for first aid and additional precautionary statements.

READ "LIMIT OF WARRANTY AND LIABILITY" BEFORE BUYING OR USING IF SUCH TERMS ARE NOT ACCEPTABLE. RETURN AT ONCE UNOPENED.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS (AND DOMESTIC ANIMALS)

WARNING
MAY BE FATAL IF SWALLOWED OR ABSORBED THROUGH THE SKIN.
HARMFUL IF INHALED.

May be irritating to the eyes, skin or respiratory tract.

Do not get in eyes, on skin or on clothing. Use of goggles and protective clothing (rubber gloves) is recommended when brushing or dipping and use of an approved respirator when appropriate. Avoid prolonged and/or repeated breathing of vapors, mist or substantially saturated atmosphere. Use only in well ventilated areas. Not for use or storage in or around the home. Avoid contamination of food. Do not take internally.

FIRST AID: If swallowed, CALL A PHYSICIAN IMMEDIATELY. DO NOT induce vomiting.

In case of eye contact, flush immediately with plenty of water for 15 minutes and get medical attention. **For skin contact,** wash thoroughly with soap and water. Remove contaminated clothing and shoes. Wash clothes before reuse. **If inhaled,** remove to fresh air.

NOTE TO PHYSICIAN: This product is a metabolic stimulant, causes hyperthermia. Treat symptomatically.

PHYSICAL OR CHEMICAL HAZARDS COMBUSTIBLE: Do not use, pour, spill or store near heat or open flame.

IN CASE OF FIRE: Use dry chemicals, foam, water fog or CO₂. Cool closed containers with water.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Do not apply directly to lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

Treated sawdust and other wood wastes should not be used as mulch where it will come in contact with useful living plants. Care should be taken to prevent drip or spray from contacting ornamental shrubs, trees, grass and other desirable vegetation.

Vapors may cause injury if adequate ventilation is not insured. Do not use this product indoors or any other confined areas where the vapors may concentrate and cause irritation. Do not use this product in enclosed areas where it may be inhaled.
