

**FOR INDUSTRIAL USE ONLY**

**DIRECTIONS FOR USE**

For use on exterior surfaces of wood, including freshly cut and treated lumber.

**DILUTE BEFORE USING  
FOR EXTERIOR USE ONLY.**

Apply with the Koppers sprayer or other suitable device to the surface of wood and freshly treated lumber.

Under normal conditions, Koppers Noxtane will protect wood from decay and mold. It is not intended to be used on interior surfaces. To prevent the addition of toxic waste and to prevent pollution of the environment, do not discharge Koppers Noxtane into the sewer system.

Do not use Koppers Noxtane on painted or stained surfaces. Apply to clean, dry wood.

**MIXING INSTRUCTIONS** — Mix Koppers Noxtane with water in the following proportions: 1 gallon of Koppers Noxtane to 100 gallons of water for general use. For severe conditions, use 1 gallon of Koppers Noxtane to 50 gallons of water.

Apply Koppers Noxtane to freshly cut wood and to wood that has been treated with preservative. Apply to all surfaces of wood, including ends and joints. Apply to wood in contact with the ground. Apply to wood in contact with water. Apply to wood in contact with other wood. Apply to wood in contact with metal. Apply to wood in contact with concrete. Apply to wood in contact with masonry.

Apply Koppers Noxtane to wood in contact with the ground. Apply to wood in contact with water. Apply to wood in contact with other wood. Apply to wood in contact with metal. Apply to wood in contact with concrete. Apply to wood in contact with masonry.

Apply Koppers Noxtane to wood in contact with the ground. Apply to wood in contact with water. Apply to wood in contact with other wood. Apply to wood in contact with metal. Apply to wood in contact with concrete. Apply to wood in contact with masonry.

**STORAGE AND DISPOSAL**

**PROHIBITIONS** — Do not use Koppers Noxtane on interior surfaces. Do not use Koppers Noxtane on painted or stained surfaces. Do not use Koppers Noxtane on wood in contact with the ground.

**PESTICIDE DISPOSAL** — Do not discharge Koppers Noxtane into the sewer system. Do not discharge Koppers Noxtane into the environment. Do not discharge Koppers Noxtane into the ground.

**CONTAINER DISPOSAL** — Do not reuse Koppers Noxtane containers. Do not burn Koppers Noxtane containers. Do not dispose of Koppers Noxtane containers in the environment.

**LIMIT OF WARRANTY AND LIABILITY**

The Koppers Company, Inc. warrants that Koppers Noxtane will perform as described on the label when used in accordance with the directions. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under all conditions. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe sap stain or severe mold. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe insect damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe fire damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe weather damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe pollution damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe vandalism damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe theft damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe sabotage damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe terrorism damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe nuclear damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe biological damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe chemical damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe physical damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe electrical damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe magnetic damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe gravitational damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe cosmic damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe quantum damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe string theory damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe supersymmetry damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe extra dimensions damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe dark matter damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe dark energy damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe inflation damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe dark flow damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe quantum entanglement damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe quantum tunneling damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe quantum superposition damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe quantum uncertainty damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe quantum nonlocality damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe quantum contextuality damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe quantum weirdness damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe quantum strangeness damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe quantum bizarreness damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe quantum weirdness damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe quantum strangeness damage. The Koppers Company, Inc. does not warrant that Koppers Noxtane will protect wood from decay and mold under conditions of severe quantum bizarreness damage.

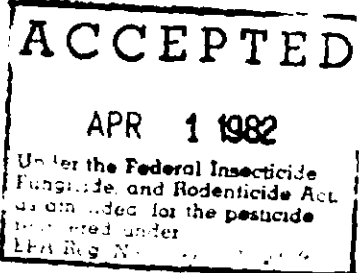

# KOPPERS®

## LIQUID NOXTANE 1

### wood fungicide

For control of sapstain and mold on freshly cut species of lumber, including Douglas Fir, White Fir, Southern Yellow and Western Pines, and Hemlock.
