PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS (AND DOMESTIC ANIMALS)

### WARNING

CAUSES SKIN DAMAGE AND EYE IRRITATION. MAY BE FATAL IF SWALLOWED, INHALED OR ABSORBED THROUGH SKIN.

Do not get in eyes, on skin, or on clothing. Use eye goggles and protective clothing (rubber gloves) recommended when dipping, and use of an approved respirator when spraying. Avoid prolonged and/or repeated breathing of vapors, mist, or substantially saturated atmosphere. Use only in well ventilated areas. Not for use or storage in or around the home. Keep containers closed when not in use. Do not take internally.

**FIRST AID: For skin contact,** wash thoroughly with soap and water. Remove contaminated clothing and shoes. Wash clothes before reuse.

**If swallowed:** call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. If inhaled, remove to fresh air.

**In case of eye contact,** flush immediately with plenty of water for 15 minutes and get medical attention.
