DIRECTIONS

Definite directions cannot be given for the use of this product, since the amount required for a particular application depends upon many factors and will vary even within a given field or type of product. The amount to use, as well as the compatibility with other ingredients, should be determined experimentally before full size batches are prepared. Consult the manufacturer for assistance.

NOTICE

Seller makes no warranty of any kind, express or implied, concerning the use of this product. Buyer assumes all risk of use or handling, whether in accordance with directions or not.
