### bathroom disinfectant

#### DESTROYS ODORS

A new, more effective way of sweeping the air clean of odors! The natural citrus scent *chemically* combines with the strongest odors to destroy them *in seconds*.

**TO ELIMINATE ODORS:** Hold upright, spray center of room 1 to 2 seconds.

#### DESTROYS MOST GERMS

As a surface disinfectant kills influenza virus, staph. strep. and many other germs that may cause odors. Bacteriostatic action lasts 7 days. Prevents mold and mildew. Kills athlete's foot fungus on household surfaces. Especially designed for use in the bathroom, on toilets, bath tubs and vanity surfaces. Also excellent for telephones, empty hampers, garbage pails, diaper pails, closets, cellars, under sinks, - any place where odors and germs are a problem.

**TO DISINFECT SURFACES:** Hold upright, 6 to 8 inches from surface and spray until covered with mist. Bacteriostatic action lasts 7 days.

**TO SANITIZE AIR:** Point upward and spray from 10 to 30 seconds depending on room size. The number of germs in the air is reduced and the number of germs on surfaces in the room is significantly reduced.

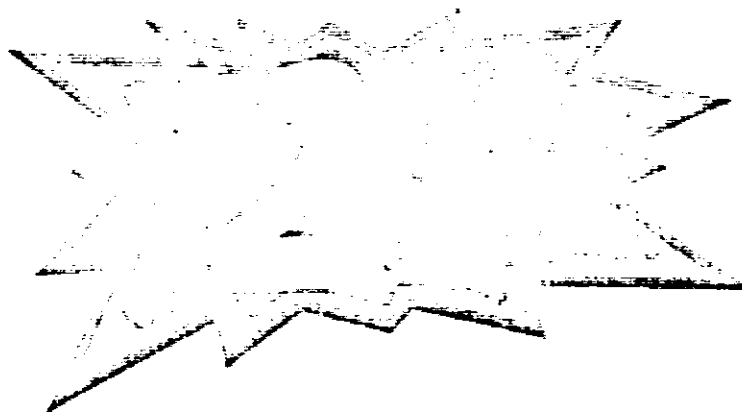

**TO CONTROL MOLD AND MILDEW:** Spray on bathroom surfaces until moist. Repeat weekly to prevent regrowth.

**CAUTION: KEEP OUT OF REACH OF CHILDREN**
