In case of an emergency endangering life or property, involving this product, call toll-free 1-800-517-6366-4400

**IF INHALED:** remove to fresh air. If not breathing, give artificial respiration. If severely weak to mouth. If breathing is difficult, give oxygen. Call a physician.  
**IF ON SKIN:** immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Call a physician. If water not immediately available, remove excess chemical from skin with sorbent material such as towel or dry soil. Then proceed at once to location where water is available and thoroughly wash contaminated skin with plenty of water. Call a physician.  
**IF IN EYES:** immediately flush eyes with plenty of water for at least 15 minutes. Call a physician.  
**IF SWALLOWED:** immediately induce vomiting by giving two glasses of water and sticking finger down throat. Call a physician. Never give anything by mouth to an unconscious person.
