

**SPECIMEN LABEL**

# DURSBAN\* 1G GRANULAR INSECTICIDE

## FOR CONTROL OF MOSQUITO LARVAE

*To Be Applied Only by Trained Personnel of Public Health Organizations, Mosquito Abatement Districts, Public Mosquito Control Programs and Professional Pest Control Operators*

**ACCEPTED**  
FEB 23 1973  
UNDER THE FEDERAL INSECTICIDE FUNGICIDE AND RODENTICIDE ACT FOR ECONOMIC POISON REGISTERED UNDER NO. 4897-396

### ACTIVE INGREDIENT:

Chlorpyrifos [O,O-diethyl O-(3,5,6-trichloro-2-pyridyl) phosphorothioate]..... 1%

INERT INGREDIENTS:..... 99%

E.P.A. Registration No. 464-396 A B

### USE DIRECTIONS

Use DURSBAN 1G granular insecticide to control mosquito larvae in non-crop areas that serve as breeding sites for these pests. Apply using any hand operated or ground vehicular mounted gravity or rotary type spreader or seeder or with aerial application equipment that will provide uniform distribution of the granules.

**Flooded Area Treatment:** Apply uniformly over flood water impoundments whenever mosquito larvae are present. Use DURSBAN 1G at the rate of 2.5 to 5 pounds per acre. This rate is equivalent to 0.025 to 0.05 pound of active ingredient per acre.

**Pre-Hatch Treatment:** Many mosquito breeding areas are not covered by water during certain months of the year, yet these areas contain mosquito eggs from which larvae will hatch and grow to maturity when flooding occurs. To control these larvae uniformly apply DURSBAN 1G at the rate of 10 pounds per acre over the known breeding sites prior to the time flooding is expected. This rate is equivalent to 0.1 pound of active ingredient per acre.

U. S. Patent No. 3,244, 586

## LOT

### USE PRECAUTIONS

This product is toxic to fish, wildlife and birds. Fish, shrimp and crab may be killed at application rates recommended on this label. Do not apply where these are important resources. Consult your State Fish and Game Department before using this product. Use this product only as directed on the label.

Dispose of empty containers and wastes by burning or burying in non-crop lands away from domestic water supplies.

## CAUTION

### KEEP OUT OF REACH OF CHILDREN MAY BE HARMFUL IF SWALLOWED

**Avoid eye contact. Wash thoroughly after handling. Wash contaminated clothing before re-use. Flush contaminated eyes with plenty of water and get medical attention if irritation persists. Keep away from food, feedstuffs and domestic water supplies.**

**NOTE TO PHYSICIAN:** Active ingredient is a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

**NOTICE:** Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
