**Germicide and  
 Deodorizer**

Citrus Scent

STREPTOCIDAL ■ STAPHYLOCIDAL  
 PSEUDOMONACIDAL ■ FUNGICIDAL  
 SALMONELLACIDAL ■ TUBERCULOCIDAL

This effective product eliminates odors at their source. Does not just mask odors. Kills dangerous germs such as "staph" and "strep" on environmental surfaces. Inhibits mold and mildew.

■ **For use in Hospitals, Clinics, and Nursing Homes.** Use this product in patient rooms, emergency rooms, operating rooms, recovery rooms. Effective on hard surfaces such as carts, laundry chutes, bathroom facilities.

■ **To Disinfect:** Shake well. Hold upright 6-8" from surface and spray until covered with mist. Provides residual bacteriostatic action in the presence of moisture.

■ **To Eliminate odors:** Shake well. Hold upright. Spray center of room 1-2 seconds. For a moment there's the fresh smell of citrus and then it disappears taking unpleasant odors with it. Do not fog.

■ **To Control Mold and Mildew:** Spray until moist and repeat weekly to prevent regrowth.

**WARNING:** Combustible. Do not use near fire, sparks, or flame. Do not spray in eyes. Contents under pressure. Do not puncture, incinerate, store in heat or sun as container may burst. Avoid contact with food. Before using on painted or plastic surfaces, spot test on an inconspicuous area.
