RESIDUAL SPRAY

CAUTION

1 POUND

**THE DOW CHEMICAL COMPANY**  
MIDLAND, MICHIGAN 48840

### DIRECTIONS FOR USE

For control of insects in and around dwellings, apartment houses, office buildings, institutions, supermarkets, restaurants, food handling and processing establishments, warehouses, furniture storages, and libraries, and pet quarters.

Apply with a regular sprayer giving a coarse spray for the control of certain household insects. This product is not a general space spray. It should be used without dilution; it will not mix with water.

**NOTE:** Do not spray near open flame, pilot lights, heating elements, or other sources of heat.

Do not use in edible products areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed

**Roaches, Ants, Silverfish, Spiders and Crickets:** Spray directly on insects where possible. Apply in cracks, crevices, along baseboards, around water pipes, under sinks, stoves, refrigerators, and cabinets, or wherever insects breed or congregate. Re-treat as necessary. For control of ants, spray their trails and places where they enter the premises.

**Fleas in Pet Quarters:** Spray quarters thoroughly. Renew Bedding. Re-treat as necessary. Do not use directly on pets.

464 441
