# 2,4-D ACID

FOR MANUFACTURING PURPOSES ONLY

**NOTE:** Because of their properties and intended uses, formulations containing 2,4-D acid may require precautionary labeling differing from that given. Formulators should develop their own use and precautionary labeling, based on the properties and intended uses of their own finished formulations, and in accordance with all pertinent laws and regulations.

Do not contaminate water used for irrigation or domestic purposes. Do not store near fertilizers, seeds, insecticides, or fungicides. Thoroughly clean equipment used with this product with a suitable chemical cleaner before use for other purposes. Do not reuse empty container. Dispose of empty container and waste by burying in locations away from domestic water supplies or by burning. Stay away from smoke and fumes.

**NOTICE:** Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
