different properties and uses. Manufacturers and formulators should
 develop their own use and precautionary labeling based on the intended
 uses and properties of their own finished formulations and in accordance
 with all pertinent laws and regulations.

Do not contaminate water by cleaning of equipment or disposal of
 wastes. Do not contaminate water used for irrigation or domestic pur-
 poses. Do not store near fertilizers, seeds, insecticides or fungicides.
 Thoroughly clean equipment used with this product with a suitable
 chemical cleaner before use for other purposes.

Do not reuse empty containers until they are professionally thoroughly
 cleaned and reconditioned. Dispose of unusable empty containers by
 punching holes in them and burying with wastes in non-cropland away
 from water supplies or follow *official* local recommendations for con-
 tainer disposal.
