

ZECTRAN* CF-24 INS

For Use Only By or Under the Supervision of Qualified Personnel Responsible for Insect Control to Control Spruce Budworm, Western Spruce Budworm, and Jack-Pine Budworm

ACTIVE INGREDIENT:

Mexacarbate | 4-(dimethylamino)-3,5-xylol
methylcarbamate |

INERT INGREDIENTS

Contains 1.5 pounds mexacarbate per gallon.

E.P.A. Registration No. 464-469

DIRECTIONS FOR USE

ZECTRAN CF-24 insecticide is recommended for application to forest lands to control larvae of spruce budworm, western spruce budworm and jack-pine budworm injurious to spruce, fir and other valuable conifers. Use 0.1 gallon of ZECTRAN CF-24 per acre (equivalent to 0.15 pound mexacarbate per acre) by diluting in sufficient deodorized kerosene or similar type oil for good spray coverage. Make the application using aerial spray equipment designed to uniformly apply the desired spray volume. Treat whenever budworm larvae are judged to be present in damaging numbers, preferably when most of the larvae are in the fourth and fifth instars. Apply only when wind velocity is less than 6 miles per hour and when other atmospheric conditions favor reduction of drift from areas treated.

USE PRECAUTIONS

This product is toxic to birds and other wildlife. Keep out of lakes, streams, and ponds. Do not apply when excessive runoff is likely to occur. Do not contaminate water by cleaning of equipment or disposal of waste. Apply this product only as specified on this label.

Dispose of unused chemical and waste by burying at least 18 inches deep in non-cropland areas away from water supplies. Punch holes in container and bury with waste. Do not re-use container for any purpose.

WARNING

**KEEP OUT OF REACH OF CHILDREN
MAY BE HARMFUL OR FATAL IF SWALLOWED
MAY CAUSE IRRITATION**

Do not take internally. Avoid eye and skin contact. Avoid breathing spray mists. Do not contaminate food, feedstuffs, and domestic water supplies. Wash thoroughly after handling. Flush contaminated eyes with plenty of water and get medical attention. If swallowed, induce vomiting by giving an emetic such as two tablespoonfuls of salt in a glass of warm water. Call a physician.

Note to Physician: symptomatic. At

NOTICE: Seller warrants and is reasonably fit, in accordance with direct warranty nor any other PARTICULAR PURPOSES contrary to label instructions not reasonably such use
