

SPECIMEN LABEL

FUMAZONE[®] F

FOR
ED USE

Nematicidal Chemical for Manufacturing Use Only

ACTIVE INGREDIENTS:

1,2-dibromo-3-chloropropane and related halogenated C₃ aliphatics

100%

E.P.A. Registration No. 464-479

E.P.A. Est. 464-MI-1^{MM}; 464-CA-1^{WP}

Superscript used corresponds to letter in Lot No.

AGRICULTURAL CHEMICAL

Do Not Ship or Store with Food, Feeds, or Clothing

WARNING

HARMFUL LIQUID AND VAPOR • MAY BE HARMFUL OR FATAL IF SWALLOWED • ABSORBED THROUGH SKIN • LIQUID MAY CAUSE SKIN IRRITATION AND BLISTERS • VAPOR CAUSES IRRITATION OF EYES, NOSE, AND THROAT

Do not take internally. Do not get in eyes, on skin, or on clothing. Do not breathe vapor. Keep container closed. Use only in a well-ventilated area. Keep away from food, feedstuffs, and water supplies. Wash thoroughly with soap and water after handling and before eating and smoking.

In case of contact: Immediately remove contaminated shoes and clothing and wash skin with soap and water. Flush eyes with plenty of water for at

least 15 minutes and get medical attention. If swallowed, do not induce vomiting. If illness results from inhalation, remove to fresh air and get medical attention. If swallowed, induce vomiting by giving an emetic. Such as 2 tablespoons of table salt in a glass of warm water.

In case of spills or use in a confined area have available an approved first aid kit and a supply of fresh air. For more information see Material Safety Data Sheet. Use only in a well-ventilated breathing apparatus or full face air supplied respirator.

NOTE: Because of their properties and intended uses, formulations containing FUMAZONE F may require precautionary labeling differing from that given. Formulators should develop their own use and precautionary labeling based on the properties and intended uses of the finished formulations and in accordance with applicable laws and regulations.

Do not use containers, pumps or other transfer or formulating equipment made of a magnesium alloy or other alloys, as under certain conditions FUMAZONE F may be severely corrosive to such metals.

This product is toxic to wildlife. Keep out of lakes, streams, or ponds. Do not contaminate water by leaking equipment or disposal of wastes. Do not reuse empty container. Promptly crush or perforate empty containers and dispose with wastes by burying in non-drip lands away from domestic water supplies.

NOTICE: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions or under abnormal conditions or under conditions not reasonably foreseeable to seller and buyer. Assumes the risk of any such use.
