CAUTION

**KEEP OUT OF REACH OF CHILDREN
ACTIVE INGREDIENT ON STRIPS
MAY CAUSE SKIN IRRITATION**

Avoid Skin Contact • Wash After Handling

Note to Physician: Fospirate has low energy properties. Atropine is antidote. Do not reuse this container. Dispose of container, unused plastic strips, and waste by burning or burying in suitable location away from water supplies.

NOTICE: Fospirate is a potent irritant to the skin and mucous membranes. It is also a potent irritant to the eyes. Avoid contact with skin and eyes. If contact occurs, wash immediately with large amounts of water. If contact with eyes occurs, flush eyes immediately with large amounts of water. If contact with skin occurs, wash immediately with large amounts of water. If contact with mucous membranes occurs, flush immediately with large amounts of water. If you experience any symptoms of irritation, discontinue use immediately and consult your physician.

CONTAINS 500 — 15 INCH STRIPS
