**AGRICULTURAL CHEMICAL**

**Do Not Ship or Store with Food, Feeds, or Clothing**  
**PRECAUCION AL USUARIO:** Si usted no lee inglés, no use este producto hasta que la etiqueta le haya sido explicada ampliamente  
**TRANSLATION: (TO THE USER:** If you cannot read English, do not use this product until the label has been fully explained to you.)

**GENERAL INFORMATION**

PLONDREL 50W fungicide provides both curative and preventive action against powdery mildew on roses in greenhouses. The use of PLONDREL 50W alone may result in a slight spray deposit on the plants. Addition of a wetting agent to the final spray solution in accordance with the manufacturer's recommendations will eliminate this deposit.

**DIRECTIONS**

Blend the required amount of PLONDREL 50W in a small quantity of water. Dilute to desired volume of water in the spray tank and agitate well. Apply at 10 to 14 day intervals using a suitable low pressure sprayer such as a knapsack type or hose-attached applicator to provide uniform coverage of the plants. Begin application when first signs of powdery mildew occur.

**Recommended Dosage Rate:** One level teaspoonful per gallon of water (equivalent to 8 ounces PLONDREL 50W per 100 gallons). Dispose of empty bag by burning. Thoroughly rinse equipment used with this product and dispose of rinse waste by burying in non-croplands away from water supplies.

**WARNING**

**KEEP OUT OF REACH OF CHILDREN  
MAY BE HARMFUL IF SWALLOWED  
MAY CAUSE IRRITATION OR ALLERGIC REACTION  
Do Not Get in Eyes, on Skin or on Clothing  
Do Not Breathe Dust or Spray Mist  
Keep Away From Food, Feedstuff, and Water Supplies**

Wash from skin with soap and water. For eyes, flush with plenty of water. Get medical attention if irritation or itching develops. If skin irritation or allergic reaction occurs, discontinue contact with the chemical and treated plants and seek medical attention.

**NOTE TO PHYSICIAN:** Active ingredient is a mild cholinesterase inhibitor and skin sensitizer. Treat symptomatically.

**NOTICE:** Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions or under abnormal conditions or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
