STATEMENT OF PRACTICAL TREATMENT II

Swallowed. Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. **If On Skin:** Wash with plenty of soap and water. Get medical attention if irritation persists. **If In Eyes:** Flush with plenty of water for 5 minutes. Get medical attention if irritation persists. **If Inhaled:** Remove to fresh air if effect is occur. Get medical attention.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine only by injection is an antidote.

Environmental Hazards

This product is highly toxic to bees exposed to direct treatment or residues on crops. • Avoid use when bees are actively foraging. • Protective information may be obtained from your Cooperative Agricultural Extension Service. • LORSBAN 50W insecticide is toxic to fish, birds and other wildlife. Fish and crustaceans may be killed if their waters are contaminated with product. • Keep out of lakes, streams, ponds, tidal marshes and estuaries. Do not apply where runoff is likely to occur. • Do not apply when weather conditions favor drift from treated areas. • Do not contaminate water by cleaning of equipment or disposal of wastes. • Use this product only as specified on this label.

NOTICE

Read the entire label. Use only according to label directions.

Before buying or using this product, read **WARRANTY, LIMITATIONS, AND DISCLAIMER** elsewhere on this label. If terms are not acceptable, return **unopened** package at once to dealer for full refund of purchase price, paid otherwise use by the buyer or any other user constitutes acceptance of the terms under the Limit of Warranty and Liability.

In case of an emergency endangering life or property involving this product, call collect **517-636-4400**

AGRICULTURAL CHEMICAL

Do Not Ship or Store with Food, Feeds, Drugs, or Clothing

Lorsban 50W

12/11

REENTRY STATEMENT

Do not enter treated areas without protective clothing until sprays have dried or, if appropriate, dusts have settled. Because certain states may require more restrictive reentry intervals for various crops treated with this product, consult your State Department of Agriculture for further information.

Written oral warnings must be given to workers who are expected to be in a treated area or in an area about to be treated with this product. These oral warnings shall inform workers of areas or fields that may not be entered without protective clothing until sprays have dried or, if appropriate, dusts have settled; and actions to take in case of accidental exposure as shown by the Statement of Practical Treatment section on this label. When oral warnings are given, warnings shall be given in a language most readily understood by workers. Written warnings must include the following information: **WARNING:** Area treated with **TERSAN 50W** wettable powder. Do not enter treated area until sprays have dried or, if appropriate, dusts have settled; in case of accidental exposure, see instructions to take as shown by the Statement of Practical Treatment section on this label.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Completely empty the original application equipment. Then dispose of empty container as follows: and/or by incineration or other widely state approved methods by burning if turned over to a firm.

WARRANTY LIMITATIONS AND DISCLAIMER

The Dow Chemical Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions thereon for performance and terms of use. **THIS IS THE ONLY WARRANTY MADE ON THIS PRODUCT BY THE DOW CHEMICAL COMPANY. IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE A PART OF THIS LABEL.** Therefore, neither this warranty nor any other warranty, implied or otherwise for a particular purpose, expressly or implied, extends to the use of this product contrary to label instructions, including conditions noted on the label, such as use by other temperatures, soil conditions, etc., under abnormal conditions (such as excessive rainfall, drought, frost, hail, etc.) or uses not intended and for which the manufacturer is not responsible. This warranty is void if the buyer has been buying this product before.

When buyer or user suffers losses or damages resulting from the use or handling of this product (including claims based on contract, negligence, strict liability or otherwise), the user, buyer or user must promptly notify in writing The Dow Chemical Company of any claims to be eligible to receive either remedy given below. The **EXCLUSIVE REMEDY OF THE BUYER OR USER** and the **LIMIT OF LIABILITY** of The Dow Chemical Company in any claim will be one of the following at the election of The Dow Chemical Company:

- 1. **Refund of purchase price** paid by buyer or user for product bought; or
 - 2. **Replacement** of amount of product used.
- The user will not be liable for consequential or incidental damages or losses.

The term of this Limit of Warranty and Liability shall be void if any written or verbal statement from application of this product is in any way in conflict with the terms of this Warranty and Limit of Liability printed on the label.
