NOTICE OF PESTICIDE:

- REGISTRATION
 REREGISTRATION

(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

Control of Insecticidal
Concentrate

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Dev Chemical U.S.A.
Agricultural Products Department
P.O. Box 1706
Midland, MI 48640

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 464-608."
 - b. In your Hazards To Humans paragraph revise the sentence "Excessive absorption through skin . . ." to read "May be fatal if absorbed through skin."
 - c. In your Hazards To Humans paragraph, the sentence "Wear protective clothing and chemically-resistant gloves when handling" must be revised. The type of protective clothing must be specified, as well as a more detailed description of what is meant by chemically-resistant gloves must be provided on the label.

DATE

APR 7 1986

- d. Revise in the If In Eyes section of your Statement of Practical Treatment the sentence "Get medical attention if irritation persists" to "Get medical attention."

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Lawrence J. Schnaubelt
Acting Product Manager (12)

Remove to fresh air if symptoms of cholinesterase inhibition appear and get medical attention immediately.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. If exposed, plasma and red blood cell cholinesterase tests may indicate significance of exposure (baseline data are useful). Atropine, only by injection, is the preferable antidote. Oximes, such as 2-PAM/protopam, may be therapeutic if used early; however, use only in conjunction with atropine. In case of severe acute poisoning, use antidote immediately after establishing an open airway and respiration.

Physical or Chemical Hazards

Do Not Cut or Weld Container

Environmental Hazards

This pesticide is toxic to birds and other wildlife and extremely toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in a NPDES permit. Do not discharge effluent containing this product into sewer systems without previously notifying in writing the sewage treatment plant authority.

For further guidance, contact the nearest EPA Regional Office.

NOTICE

Read and understand the entire label before using. Use only according to label directions.

Before buying or using this product, read "WARRANTY LIMITATIONS AND DISCLAIMER" elsewhere on this label. If terms are not acceptable, return unopened package at once to seller for full refund of purchase price paid. Otherwise, use by the buyer or any other user constitutes acceptance of the terms under WARRANTY LIMITATIONS AND DISCLAIMER.

IN CASE OF AN EMERGENCY

endangering life or property involving this product, call collect 517-636-4400

PRODUCT NAME: LENTREK* 6

(2)

LENTREK 6 insecticidal concentrate may be used only for formulation into wood preservative products for uses accepted by the United States Environmental Protection Agency. Because of their properties and intended uses, wood preservative products containing LENTREK 6 will require precautionary labeling differing from that given. Formulators should develop their own use and precautionary labeling, based on the properties and intended use of their own finished formulations, and are responsible for obtaining EPA registration of these wood preservative products.

(3) STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

(4)

[BOLD]Storage:[NORM] Store in original container in secured dry storage area. Prevent cross-contamination with other pesticides and fertilizers. Do not store above 100[DEG]F for extended periods of time. Storage below 23[DEG]F may result in formation of crystals. If product crystallizes, store at 72[DEG]F to 90[DEG]F and agitate to redissolve crystals. If container is damaged or spill occurs, use product immediately or dispose of product and damaged container as indicated below.

(5)

[BOLD]Pesticide Disposal:[NORM] Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

(6)

[BOLD]Container Disposal:[NORM] Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

(7)
[BOLD]FOR REUSABLE PORTABLE CONTAINERS:[NORM] Do not rinse or put any other material into container. When returning reusable portable container, seal all openings and return to The Dow Chemical Company.

(8)
[BOLD]FOR RAIL TANK CARS:[NORM] Do not rinse or put any other material into tank car. When returning tank car, seal all openings and return to The Dow Chemical Company.

(9) WARRANTY LIMITATIONS AND DISCLAIMER
The Dow Chemical Company warrants that at the time of delivery, the product will conform to its chemical description on the label, that it will pass without objection in the trade under the contract description, that it will be reasonably fit for the uses stated on the label when used in accordance with directions, that Seller will convey good title thereto, and that such product will be delivered free from any lawful security interest, lien or encumbrance. This is the only warranty made on this product. THE DOW CHEMICAL COMPANY EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND, EXCEPT AS SET FORTH IN THE ABOVE PARAGRAPH, ANY OTHER EXPRESS OR IMPLIED WARRANTIES. Buyer acknowledges the use of its own independent skill and expertise in the selection and use of the product and does not rely exclusively on any oral or written statements or representations.
