

NOTICE OF PESTICIDE: ☒ REGISTRATION
☐ REREGISTRATION
(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF REGISTRANT
Lentrek 6 WT Insecticide

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Dow Chemical U.S.A.
Agricultural Products Department
P.O. Box 1706
Midland, MI 48640

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 464-609" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRODUCT NAME: LENTREK* 6 WT

[BOLD]STATEMENT OF PRACTICAL TREATMENT:[NORM] [BOLD]If Swallowed:[NORM]
Call a physician or Poison Control Center immediately. Do not induce vomiting. Contains an aromatic petroleum solvent. Do not give anything by mouth to an unconscious person. [BOLD]If On Skin:[NORM]

Immediately wash with plenty of soap and water. Get medical attention. [BOLD]If In Eyes:[NORM] Flush with plenty of water for 5 minutes. Get medical attention. [BOLD]If Inhaled:[NORM] Remove to fresh air if symptoms of cholinesterase inhibition appear and get medical attention immediately.

[BOLD]NOTE TO PHYSICIAN:[NORM] Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. If exposed, plasma and red blood cell cholinesterase tests may indicate significance of exposure (baseline data are useful). Atropine, only by injection, is the preferable antidote. Oximes, such as 2-PAM/protopam, may be therapeutic if used early; however, use only in conjunction with atropine. In case of severe acute poisoning, use antidote immediately after establishing an open airway and respiration.

Physical or Chemical Hazards

COMBUSTIBLE[BUL]Do Not use or Store Near Heat or Open Flame[BUL]Do Not Cut or Weld Container

Environmental Hazards

This pesticide is toxic to birds and other wildlife and extremely toxic to fish and aquatic organisms. Do not apply directly to water. Drift and runoff from areas of treatment may be hazardous to aquatic organisms in adjacent aquatic sites. Cover or incorporate spills. Do not contaminate water by cleaning of equipment or disposal of waste.

NOTICE

Read and understand the entire label before using. Use only according to label directions.

[BOLD]Before[NORM] buying or using this product, read "WARRANTY LIMITATIONS AND DISCLAIMER" elsewhere on this label. If terms are not acceptable, return [BOLD]unopened[NORM] package at once to seller for full refund of purchase price paid. Otherwise, use by the buyer or any other user constitutes acceptance of the terms under WARRANTY LIMITATIONS AND DISCLAIMER.

(12) Directions for Application

To protect unseasoned or seasoned lumber from wood destroying insects, such as termites, carpenter ants and beetles (ambrosia, powder-post, old house borers and others), totally treat wood with up to a 1.0% dilution of chlorpyrifos. This dilution can be applied by various methods including spraying, brushing, dipping and pressure treatment. Frequent monitoring of dip and pressure systems are necessary to insure that the desired level of chlorpyrifos is maintained. Wear protective clothing such as long-sleeved shirt, long-legged pants, hat, rubber gloves and footwear impervious to aromatic solvents, i.e. neoprene or nitrile butadiene rubber, during preparation of solution, treatment and when handling freshly treated wet wood. Following treatment, wood can be safely handled when dry.

(13)

[BOLD]Dip treatments.[NORM] Rates of 0.5% to 1.0% are recommended for...
dip treatments to insure adequate retention. The wood should be
totally submersed in the dilution until thoroughly wet and then
allowed to dry in a suitable location. Dipping solutions to which
LENTREK 6 WT have been added should be agitated before use if left
unused for long periods of time.

Sediment, debris and other deposits should be periodically cleaned from the tank.

(14)

2. [BOLD]Pressure treatments.[NORM] Rates of 0.25% to 0.5% are recommended for adequate penetration and retention. After the pressure is released and the system drained, the wood should be placed in a suitable location for drying.

(15)

3. [BOLD]Spray treatment and brush treatment.[NORM] Rates of 0.5% to 1.0% are recommended for spray and brush treatments. The wood, including back and ends, should be sprayed or brushed thoroughly with the treating mixture.

(16)

LENTREK 6 WT can be diluted with creosote. Rates of 0.5% to 1.0% are recommended. To prepare the solution, dilute LENTREK 6 WT as shown in the following Dilution Chart. Read and carefully follow all applicable directions, restrictions, and precautions on labeling for creosote products used in combination with LENTREK 6 WT.

(21) STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

(22)

[BOLD]Storage:[NORM] Store in original container in secured dry storage area. Prevent cross-contamination with other pesticides and fertilizers. Do not store above 100[DEG]F for extended periods of time. Storage below 23[DEG]F may result in formation of crystals. If product crystallizes, store at 72[DEG]F to 90[DEG]F and agitate to redissolve crystals. If container is damaged or spill occurs, use product immediately or dispose of product and damaged container as indicated below.

(23)

[BOLD]Pesticide Disposal:[NORM] Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

(24)

[BOLD]Container Disposal:[NORM] [BOLD]PLASTIC:[NORM] Triple rinse (or equivalent). Then puncture and dispose of in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

(25)

[BOLD]FOR 30 AND 55 GALLON DRUMS:[NORM] Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.

[BOLD]FOR REUSABLE PORTABLE CONTAINERS:[NORM] Do not rinse or put any other material into container. When returning reusable portable container, seal all openings and return to The Dow Chemical Company.

(27)

[BOLD]FOR TANK TRUCKS OR RAIL TANK CARS:[NORM] Do not rinse or put any other material into tank car. When returning tank car, seal all openings and return to The Dow Chemical Company.

(28) WARRANTY LIMITATIONS AND DISCLAIMER

The Dow Chemical Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions therein under normal conditions of use. THIS IS THE ONLY WARRANTY MADE ON THIS PRODUCT. NO OTHER EXPRESS AND NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OUTSIDE OF THIS LABEL. Therefore, neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions (including conditions noted on the label, such as insufficient levels of chlorpyrifos in the end-use solutions, etc.), under abnormal conditions (such as extreme heat or cold, etc.) or under conditions not reasonably foreseeable to or beyond the control of seller.

When buyer or user suffers losses or damages resulting from the use or handling of this product (including claims based on contract, negligence, strict liability, or other legal theories), buyer or user must promptly notify in writing The Dow Chemical Company of any claims to be eligible to receive either remedy given below. The EXCLUSIVE REMEDY OF THE BUYER OR USER and the LIMIT OF LIABILITY of The Dow Chemical Company or any other seller will be one of the following, at the election of The Dow Chemical Company:

(1) [BOLD]Refund of purchase price[NORM] paid by buyer or user for product bought, [BOLD]or[NORM]

(2) [BOLD]Replacement[NORM] of amount of product used.

The seller [BOLD]will not be liable for consequential or incidental damages or losses[NORM].

The terms of this Warranty Limitations And Disclaimer cannot be varied by any written or verbal statements or agreements. Any employee or sales agent of the seller is not authorized to vary or exceed the terms of this Warranty Limitations And Disclaimer in any manner.
