# Antimicrobial LT-200

NOT REVIEWED

In Accordance with PR Notice 82-2.  
Based on Draft Labeling Dated

To Control Coliform and Other Bacteria in Publicly-Owned Treatment Works

## FOR INDUSTRIAL USE ONLY

Active Ingredient(s):

2,2-Dibromo-3-nitropropionamide ..... 20%

Inert Ingredient(s): ..... 80%

E.P.A. Registration No. 464-628

E.P.A. Est. 464-MI-1

**KEEP OUT OF REACH OF  
CHILDREN**

## DANGER

### PRECAUTIONARY STATEMENTS

Hazards to Humans

**CAUSES SEVERE BURNS OF EYES • EYE  
CONTACT MAY CAUSE LOSS OF VISION •  
MAY BURN THE SKIN • MAY BE HARMFUL  
OR FATAL IF SWALLOWED**

**Do Not Get in Eyes, on Skin, or on Clothing  
• Chemical Worker's Goggles Must Be  
Worn When Handling • Wash Thoroughly  
After Handling**

**FIRST AID:** In case of eye contact, immediately flush eyes with plenty of water for at least 15 minutes. Call a physician. In case of skin contact, immediately wash skin with soap and plenty of water. Wash contaminated clothing before reuse. Get medical attention if irritation persists. If swallowed, immediately induce vomiting by giving two glasses of water and sticking finger down throat. Repeat until vomit is clear. Call a physician. Never give anything by mouth to an unconscious person.

### ENVIRONMENTAL HAZARDS

This product is toxic to fish. Apply this product only as specified on this label. Do not contaminate water by cleaning of equipment, or disposal of wastes. **NOTE:** Do not discharge into lakes, streams, ponds, or public waters unless in accordance with a NPDES permit. For guidance, contact your regional office of the EPA.

### IN CASE OF AN EMERGENCY

endangering life or property involving this product, call collect 517-636-4400

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal

**Storage:** To maintain product quality, store at room temperatures below 60°C. Keep container tightly closed when not in use.

**Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or residue is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**Container Disposal:** Plastic Containers: Do not reuse empty container. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

**Reusable Portable Containers (Totes):** Do NOT rinse containers. Do not put any other material(s) in containers. Seal all openings with proper fittings and clean outside of container. Then return container to The Dow Chemical Company.

## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**NOTE: ADD ANTIMICROBIAL LT-200 SEPARATELY TO THE SYSTEM. DO NOT MIX IT WITH OTHER ADDITIVES IN ORDER TO AVOID DECOMPOSITION OF ANTIMICROBIAL LT-200 DUE TO THE HIGH pH OF MANY ADDITIVE FORMULATIONS.**

To control coliform and other bacteria, add ANTIMICROBIAL LT-200 at a concentration of 1.0 to 10.0 ppm by weight of water being treated, depending of the severity of contamination in the system. Addition should be continuous and should be made with a metering pump at a point in the system where mixing will be rapid and thorough. Add ANTIMICROBIAL LT-200 to the system in a location where contact time will be 30 minutes or greater before reaching the outfall.

To use ANTIMICROBIAL LT-200 as a co-treatment with chlorine, add 0.4-1.5 ppm by weight of water treated. Chlorination should result in a minimum detectable residual (i.e., greater than zero out less than the NPDES permit level). Addition should be continuous and made at a point just after initial chlorine mixing. Rapid mixing is necessary for maximum effectiveness. ANTIMICROBIAL LT-200 should be added at a location where a contact time of 10 minutes or longer will be provided before reaching the outfall.

## NOTICE:

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
