# ANT TRAPS

**WARNING:** HAZARDOUS IF SWALLOWED OR ABSORBED THROUGH THE SKIN. KEEP FROM CHILDREN AND DOMESTIC ANIMALS. Do not get on skin, in eyes or on clothing. Wash with soap and water after using and before eating and smoking. Place in areas inaccessible to children and pets.

**ACTIVE INGREDIENT:** Decachlorooctahydro-1,3,4-metheno-2H-cyclobuta (cd) pentalen-2-one..... **0.125%**  
**INERT INGREDIENTS** ..... **99.875%** Total ..... **100.000%**

**HOW ANT TRAPS WORK**

YOU WON'T FIND MANY DEAD ANTS AROUND YOUR ANT TRAPS, because... the ants that enter and leave the traps are worker ants. They carry the food back to the nests. Many of the ants poisoned by the bait die in the nest.

**BOYLE-MIDWAY INC.**  
New York, N. Y. 10017

\*R 382,826, OF RELATED COMPANY U.S.D.A. REGISTRATION No. 475-11 AAT-7C PRINTED IN U.S.A.

**GUARANTEED TO KILL SWEET AND GREASE EATING ANTS!**

475-11

**DIRECTIONS**  
**PUNCH ALL SIDE HOLES**  
 Place traps under sinks, behind refrigerators, in cupboards and other areas where insects habitate. Also place traps at entry points and outside along frays and nest areas about 10 to 15 feet apart. Insects die after 1 to 2 weeks. Replace traps as necessary.

**WARNING - HAZARDOUS IF SWALLOWED OR ABSORBED THROUGH THE SKIN.** Keep from children and domestic animals. Do not get on skin, eyes or on clothing. Wash with soap and water after using and before eating and smoking. Place in areas inaccessible to children and pets.

**ACTIVE INGREDIENT:**  
 Decachloro-octahydro-1,3,4-metheno-2H-pyridine-2-one
