

ACCEPTED
JUN 10 1977
Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 475-184

KEEP DRY

CAUTION: May be harmful if swallowed, inhaled or absorbed through skin. Dust should be placed in areas inaccessible to children and pets. Avoid contamination of food and feedstuffs. Wash with soap and water after use. Do not use on plants or in wet places. Keep out of reach of children.

Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or fumes.

DIRECTIONS FOR USE

ANTS: Sprinkle powder around wherever ants are found, in cracks, crevices and other hiding places. Avoid contamination of food. Apply freely across ant trails or where pests are entering the house. Sprinkle the powder in and around the entrances of ant hills. Do not use in wet places. Repeat as often as necessary.

ROACHES: Sprinkle powder on baseboards, in cracks and crevices, behind cupboards, sinks, refrigerators and places where roaches hide. Do not sprinkle on shelves or in drawers containing food or food handling utensils.

ACTIVE INGREDIENT:
2-(1-methylethoxy) phenyl methylcarbamate 2.00%
INERT INGREDIENTS 98.00%
