WG-2F

Wash 'n Guard

An effective washing product that deposits an invisible "odor guard" on clean clothes to help prevent perspiration odor caused by bacteria. Cleans fine washables without fading, stretching or shrinking. Helps you feel confident because clothes smell fresher and cleaner. Contains no phosphates.

FOR ALL FINE WASHABLES: Sweaters, Lingerie, Knitwear, Blouses; Wool, Cotton, Elastics and Synthetics, including Nylon and Permanent Press.

HAND WASHING: Add 1 capful to 1 gallon of cold water. Let garments soak individually for 3 minutes. **DO NOT RUB.** For tougher spots, wet entire garment, pour undiluted product directly onto spot and let clothes soak longer. Squeeze out suds. Rinse thoroughly in cold water. Dry as you normally would.

For Household or Coin Operated **WASHING MACHINE:** Add ½ cup to machine filled with cold water for 10 lb. load of clothes. Soak 3 min. Agitate in gentle cycle.

CAUTION: Do not wash if manufacturer's instructions say dry clean only.

WARNING: Concentrate irritating to skin and eyes.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water. If irritation persists, call physician. Thoroughly rinse container before discarding.

ACTIVE INGREDIENT: 5-chloro-2-(2,4-dichlorophenoxy)phenol 0.68%
INERT INGREDIENTS 99.32%
