## Mr. Bathroom DISINFECTANT TOILET & BATHROOM CLEANER

### FORMULATED FOR TOILET AND BATHROOM CLEANING

Cleans and shines inside and outside toilet and all bathroom surfaces without scouring. Disinfects and controls the growth of harmful toilet and bathroom germs. Eliminates odors and leaves room smelling fresh and clean.

### MAKES CLEANING EASIER

Penetrating foam removes grease, soap scum, bathroom grime and mildew stains in seconds with no scouring or scrubbing. Cleans inside and outside toilet, plus basin, tub and tiles, shower stall, grout, chrome fixtures, sink, vanity, counter tops, shower curtains, mirrors, walls and floors. Easy to use, never scratches and leaves no gritty residue. Tough on soils, but gentle to inanimate surfaces.

### DISINFECTS

Kills bathroom germs that breed in damp places on hard non-porous environmental surfaces. Effective against Athletes Foot fungus on environmental surfaces. Controls mold and mildew and removes the stains and musty odors they cause. Kills staph, strep and salmonella germs and most common gram negative bacteria. Recommended for clinical disinfectant use in hospitals, dental offices and veterinary clinics.

### ELIMINATES ODORS AT THEIR SOURCE

Eliminates toilet and bathroom odors and kills the germs that cause them with powerful disinfectant action. Recommended for use wherever mildew odors occur; in bathroom, laundry room, kitchen drain areas and cabinets, baby changing areas, diaper pails, basement, garage, garbage pails, pet areas, boat, car and camper. Leaves surfaces smelling truly clean.

### DIRECTIONS

#### SPRAYS IN ANY POSITION, EVEN UPSIDE DOWN

1. Shake well before using. Hold can 6-8 inches from surface to be cleaned, press button to release foam power.
2. Wipe off with clean cloth or sponge. No scrubbing or rinsing necessary.
3. For stubborn stains, allow penetrating foam to work longer before wiping off.
4. For mold and mildew control spray surface until moist. Repeat application in 7 days as necessary to maintain control.
5. Garbage Pails - Pet areas: Remove gross filth and heavy soil deposits prior to product use.
6. When disinfecting the hard surfaces inside the toilet bowl, first remove or expel the residual bowl water over the trap, prior to applying the spray.
7. WHEN USED ON GLASS, WIPE IMMEDIATELY.

**CAUTION:** Do not spray in face or eyes. In case of contact with eyes, flush with plenty of water. Avoid breathing spray mist. Avoid prolonged skin contact. Avoid food contact. Rinse food contact surface with potable water prior to reuse. Use only as directed. Keep Out of Reach of Children.

**WARNING:** Contents under pressure. Do not store or use near heat or open flame. Do not puncture or incinerate container. Exposure to sunlight or temperatures above 120 F may cause bursting.

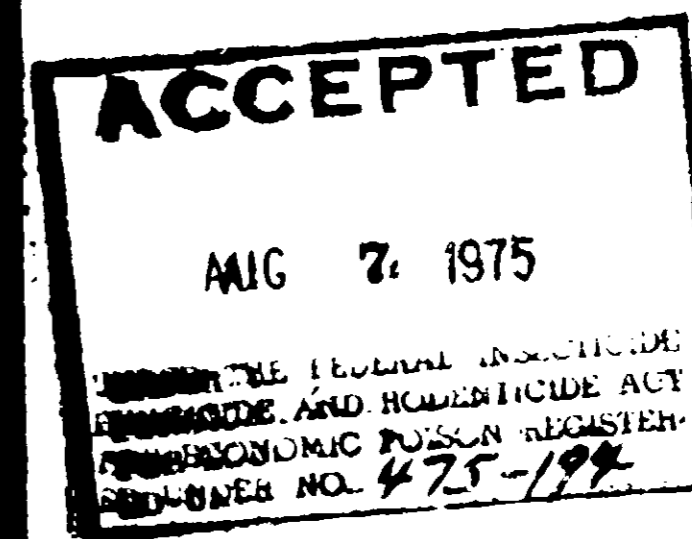

**ACTIVE INGREDIENTS:** n-Alkyl (60% C14, 30% C16, 5% C12, 5% C18) dimethyl benzy ammonium chlorides, 0.0925%; n-Alkyl (68% C12, 32% C14) dimethyl ethylbenzyl ammonium chlorides, 0.0925%; Tetrasodium salt of ethylenediamine tetraacetic acid, 1.735%; Sodium metasilicate, 0.04%.

**INERT INGREDIENTS:** 98.04%
