BACK PANEL

Sani-Flush has an exclusive formula with "blue bubbling action" for extra tough [serious] cleaning problems. It is specially formulated to remove tough hard water stains. Sani-Flush removes tough rust stains and stubborn bowl deposits. It is also a strong disinfectant to kill most household germs fast [even staph and odor causing germs]. Leaves bowl sparkling clean, hygienic and sanitary. [Regular use of Sani-Flush keeps white or colored bowls stain free, sanitary, sparkling and bright.] Safe for septic tanks and plumbing. Use on toilet bowls only. Do not use on enameled or metal fixtures such as bathtubs and sinks. [Contains no phosphates.]

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

TO OPEN CHILD-RESISTANT CAP: Push cap down while turning counter-clockwise. **TO CLOSE:** Screw cap on tightly clockwise. When locked, cap will click when turned counter-clockwise without pushing down.

TO CLEAN AND DISINFECT: Flush toilet while brushing interior of bowl, wetting surfaces thoroughly, including under the rim. When water has stopped running, shake 1/2 cup or more around the bowl sides and in the water. Let stand at least 10-15 minutes. Brush all surfaces before flushing. Repeat twice weekly for thorough cleanliness.

For badly stained bowls [To remove stubborn, persistent bowl stains]: Lower the water level in the bowl as much as possible. Reapply 1/2 cup or more of Sani-Flush on to the stained area. Let stand for several hours, or preferably, overnight. Flush toilet, brush thoroughly, then flush again. [In between cleanings, use Sani-Flush 4-Month Automatic Bowl Cleaner for continuous cleaning and deodorizing action.]

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Causes eye damage. Irritating to skin. Avoid contact with eyes, skin or clothing. Wear eye protection while using. Harmful if swallowed. Avoid breathing dust. Wash with soap and water after handling.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Drink promptly a large quantity of water. Do not induce vomiting. Avoid alcohol. Get medical attention.

IF IN EYES: Flush with plenty of water for 15 minutes. Get medical attention.

IF ON SKIN: Wash with plenty of soap and water. Get medical attention if irritation persists.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

NOTE: BRACKETS [] INDICATE OPTIONAL COPY

BACK PANEL (continued)

PHYSICAL AND CHEMICAL HAZARDS

Flush 2 times before use in toilets with chlorine in-tank products. Do not mix with any other cleansers or chemicals as harmful fumes may result. Replace cap promptly after use.

STORAGE AND DISPOSAL

Store in a dry place away from children. Do not reuse empty container. Wrap and put in trash.
