Ms. Filomena King
Reckitt & Colman Household Products
1655 Valley Road
Wayne, NJ 07474

Dear Ms. King:

Subject: Germicidal SaniFlush Toilet Bowl Cleaner
EPA Registration No. 475-198
Your Resubmission Dated June 10, 1992

This is in response to your resubmission of the above date of revised product labeling to include new closure use directions and package related claims.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records. Five (5) copies of the finished labeling must be submitted before you release the product for shipment.

If you have any further questions, please contact Ms. Barbara Pringle at (703) 305-6484.

Sincerely yours,

Ruth G. Douglas
Product Manager (32)
Antimicrobial Program Branch
Registration Division (H7505C)

BACK PANEL

Sani-Flush has a formula with "blue-bubbling action" for tough cleaning problems. It is specially formulated to remove tough hard water stains. Sani-Flush removes tough rust stains and bowl deposits. It also disinfects to kill most household germs [even staph and odor causing germs]. Leaves the bowl sanitary, [sparkling clean] [and fresh]. [Regular use of Sani-Flush keeps white or colored bowls stain free, sanitary, sparkling and bright.] Does not harm septic tanks and plumbing. Use on toilet bowls only. Do not use on enameled or metal fixtures such as bathtubs and sinks. [Contains no phosphates]

[CAP INSTRUCTIONS: "TO OPEN: Squeeze center while pulling up.]
[TO CLOSE: Press down around cap with thumbs. Make sure cap is on]
[tight."]

OR

[TO OPEN [Child-Resistant] Cap: Push cap down [squeeze cap] while]
[turning counter-clockwise. TO CLOSE: Screw cap on tightly clock-]
[wise. When locked, cap will click when turned counter-clockwise]
[[without pushing down.]]

OR

[TO open child-resistant cap-position tab between arrows and pull]
[up.]

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO CLEAN: Flush toilet while brushing interior of bowl, wetting surfaces thoroughly, including under the rim. When water has stopped running, shake 1/2 cup or more around the bowl sides and in the water and thoroughly brush all bowl surfaces including under the rim.

TO DISINFECT:-Clean bowl thoroughly as instructed above. Shake 3/4 cup or more around the pre-cleaned bowl sides and in the water. Let stand at least 10-15 minutes. Thoroughly brush all bowl surfaces including under the rim with the use solution in the toilet bowl.

For badly stained bowls [To remove stubborn, persistent bowl stains]: Lower the water level in the bowl as much as possible. Reapply 1/2 cup or more of Sani-Flush on to the stained area. Let stand for several hours, or preferably overnight. Flush toilet, brush thoroughly, then flush again. [In between cleanings, use Sani-Flush 4-Month Automatic Bowl Cleaner for continuous cleaning and deodorizing action.]

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Causes eye damage. Irritating to skin. Avoid contact with eyes, skin or clothing. Wear eye protection while using. Harmful if swallowed. Avoid breathing dust. Wash with soap and water after handling.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Drink promptly a large quantity of water. Do not induce vomiting. Avoid alcohol. Get medical attention.

IF IN EYES: Flush with plenty of water for 15 minutes. Get medical attention.

IF ON SKIN: Wash with plenty of soap and water. Get medical attention if irritation persists.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

PHYSICAL AND CHEMICAL HAZARDS

Flush 2 times before use in toilets with chlorine in-tank products. Do not mix with any other cleansers or chemicals as harmful fumes may result. Replace cap promptly after use.

STORAGE AND DISPOSAL

Store in a dry place away from children. Do not reuse empty container. Wrap and put in trash.
