KILLS AND HELPS CONTROL INSECTS LISTED ON SIDE PANEL

- USE IN:
- attics
 - basements
 - living rooms
 - apartments
 - crawl spaces
 - boats
 - campers
 - storage sheds
 - home garages

FOR HOUSEHOLD USE ONLY
DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

HOW TO USE: Open any cabinet doors and drawers to allow maximum fog in all areas where insects can hide and breed. Close doors and windows and shut off fans and air conditioning to maximize killing power of fog. Do not remain in treated area and ventilate before reoccupying.

DIRECTIONS: To kill Houseflies, Mosquitoes, Small Flying Moths, Yellowjackets, Wasps, Hornets, Black Carpet Beetles, Silverfish, Crickets, Ants, Spiders and Fleas: SHAKE WELL BEFORE USING. Place can on level raised surface such as stand or table, with protective covering underneath to prevent possible marring of surface. With can at arm's length, direct spray away from face. Depress tab until it clicks in locked position. Exit immediately. To kill Flying Insects, keep area closed for 30 minutes. To kill Crawling Insects, keep area closed for 2 hours.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid breathing vapors. Avoid contact with skin, eyes or clothing. Wash contaminated skin promptly with soap and water. For eyes, flush with plenty of water and get medical attention if irritation persists. Remove pets and tightly cover fish tanks or aquariums. Cover exposed foods, dishes or food handling equipment. All food processing surfaces should be cleaned during treatment or thoroughly cleaned before using. Put out all flames and shut off gas supply to pilot lights.

PHYSICAL HAZARDS
Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DISPOSAL
Do not reuse empty container. Wrap container and put in trash collection.
