JUL 18 1991

Approved by the Federal Insecticide, Fungicide, and Rodenticide Act. See the label for the pesticide registration number.

For Tough Cleaning Problems

New Extra Strength Sani-Flush has a Dual Action formula for extra tough cleaning problems. It is specially formulated to remove tough hard water stains, tough rust stains and stubborn bowl deposits. Extra Strength Sani-Flush is a strong disinfectant that kills most household germs, fast-acting and odor-causing germs. Leave bowls sparkling clean, hygienic and sanitary.

DIRECTIONS FOR USE

Follow the instructions on the label for use in a manual or automatic toilet system with a toilet. **TO OPEN CHILD RESISTANT CAP - POSITION TAB BETWEEN ARROWS AND PULL UP.**

RECOMMENDED FOR HOUSEHOLD USE-

FOR CLEANING AND DISINFECTING TOILET BOWLS - Flush toilet while brushing interior of bowl. Be sure to wet all surfaces thoroughly, including under the rim. Shake 1/2 cup of Extra Strength Sani-Flush around the bowl sides and in the water. Allow to soak all surfaces completely and let stand 10 minutes. Before flushing, clean twice a week for thorough cleanliness. For Extra Strength stain problem - follow above steps. Then pour Extra Strength Sani-Flush over remaining stains. Let stand for several hours or overnight. Brush completely and flush.

Regular use of Extra Strength Sani-Flush keeps white toilet bowls bright, white, stain free, sanitary, sparkling and bright. Extra Strength Sani-Flush should be used for toilets, urinals, bidets, bathtub tubs, sinks, showers, floor drains and metal fixtures. Will not damage porcelain, toilet plungers and septic tanks. Contains no phosphate.

In between cleaning, use Sani-Flush Equi-Trol Sani-Flush Automatic Tank Bowl Cleaners for continuous cleaning and deodorizing.

STORAGE AND DISPOSAL

Store in a dry place. Do not use near water. Avoid contact with fresh collection.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: CONTAINS SODIUM BISULFATE - HARMFUL IF SWALLOWED. DAMAGING TO EYES. IRRITATING TO SKIN. KEEP OUT OF REACH OF CHILDREN. Do not get in eyes, on skin or clothing. Do not use with chlorine type bleaches, as harmful fumes may result. Replace cap promptly after use. Do not reuse container.
