"ANTROL ANT KILLER - FORMULA II"

CARTON COPY - BACK PANEL

ANTROL ANT KILLER

Use in house and garden to kill and control sweet and grease eating ants.

Also kills carpenter ants.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in a cool, dry place.

DISPOSAL: Wrap container and put in trash collection.

For Household Use Only

Directions for Indoor and Outdoor Use: Unscrew cap from each Antrol Ant Killer feeder bottle. Remove liner from inside cap and screw cap back on bottle. Lay bottles on flat side under sinks, behind refrigerator, along baseboards, around entry points and other areas where ants are seen. Outdoors - Place bottles on or around ant nests. For best results, do not place over 15 feet apart. Place bottles in areas inaccessible to children and pets. Replace when empty.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Do not get on skin, in eyes, or on clothing. If swallowed, call physician. In case of eye or skin contact, flush thoroughly with water.

EPA Reg. No. 475-

EPA Est. No. 475-CA-1

Money-back Guarantee: If not completely satisfied, return the remainder to Boyle-Midway for full refund.
