DRY FLYING INSECT KILLER

Black Flag DRY Flying Insect Killer spray kills bugs fast without wet, messy fall-out. Will not stain furnishings.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Storage: Do not store near heat or open flame. Store in cool area away from children.

Disposal: Do not reuse empty container. Wrap and place in trash. Do not incinerate.

Directions: Shake well before using. Spray in upright position. Lift off protective cap. Point valve opening away from your face. Hold can upright at a distance of at least 4 feet from all objects to be sprayed. Press button firmly to spray.

NOTE: Do not spray into or near sources of heat or open flame.

To Kill Flying Insects: For flies, mosquitoes, gnats, flying moths, wasps, hornets — Spray directly on flying insects for fast action. To clear a room, close windows and doors, spray upward with waving motion (5 or 7 seconds for average 10' by 12' room). Vacate room for at least 15 minutes. Then let air circulate before re-entering.

To Kill Crawling Insects: For German cockroaches, waterbug, roaches, earwigs, spiders. Spray directly on insects where possible. Thoroughly spray in hiding places such as cracks, crevices around pipes, under refrigerators and baseboards. Repeat as necessary.

PRECAUTIONARY STATEMENTS
