BLACK FLAG WASP-BEE-HORNET KILLER kills fast.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: May cause skin irritation. Harmful if swallowed or absorbed through the skin. Avoid contact with skin and clothing. Avoid breathing spray. Avoid eye contact. Wash thoroughly with soap and water after handling. Do not apply to humans, pets, dishes or utensils. Do not contaminate feed or foodstuffs. Do not allow children in treated areas until surfaces are dry. Do not smoke while using.

FIRST AID

If Swallowed- Call a physician or Poison Control Center immediately. **DO NOT INDUCE VOMITING.** Vomiting may cause aspiration pneumonia.

If on Skin - Remove contaminated clothing and wash affected areas with soap and water. Get medical attention if irritation persists.

NOTE TO PHYSICIAN: Solvent presents aspiration hazard. Gastric lavage is indicated if material was taken internally. This product contains a cholinesterase inhibitor. If symptoms of cholinesterase inhibition are present, atropine is antidotal. **For Medical Emergency Call 800-338-6167.**

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE. CONTENTS UNDER PRESSURE. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in a cool area away from heat or open flame.

DISPOSAL: This container may be recycled in the few but growing number of communities where steel aerosol can recycling is available. Before offering for recycling, empty the can by using the product according to the label. **(DO NOT PUNCTURE!)** If recycling is not available, wrap the container and discard in the trash.

(back panel continued)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR OUTDOOR USE ONLY: Shake well before each use. Hold can upright. Point valve away from face. Aim at area to be sprayed. Avoid excessive wetting of plastic, vinyl or asphalt tile floor surfaces.

Hornets, Wasps, Bees and Cicada Killers:

Spray a stream directly on nests, especially around openings. The stream can be directed up to 15 feet. Apply to nesting areas at dusk, when possible, since most insects are then in their nests and less active. Spray around window and door frames, under shutters, under eaves and siding, around rafters and other areas where wasps or hornets may nest. Repeat applications when necessary.
