

NOV 12 1991

Ms. Filomena King  
Reckitt & Colman Household Products  
1655 Valley Road  
P.O. Box 941  
Wayne, NJ 07474-0941

Dear Ms. King:

Subject: Revised Labeling  
Hornet & Wasp Killer III, EPA Reg. No. 475-313  
Submission dated October 30, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

As previously mentioned in the Agency's letter of September 16, 1991, delete "Allyl homolog of Cinerin I" as this phrase is no longer appropriate for this active ingredient.

In accordance with the Sumithrin Registration Standard, you must change the label declaration for sumithrin to "3-phenoxybenzyl-(1RS, 3RS; 1RS, 3SR)-2,2-dimethyl-3-(2-methylprop-1-enyl)cyclopropanecarboxylate".

Sincerely,

Richard F. Mountfort  
Product Manager (10)  
Insecticide-Rodenticide Branch  
Registration Division (H7505C)

**Precautionary Statements  
Hazards to Humans and Domestic Animals**

**CAUTION**

Harmful if swallowed. Avoid inhalation of vapors. Avoid contact with skin and eyes. Wash contaminated skin promptly with soap and warm water. For eyes, flush with plenty of water. Get medical attention if irritation persists.

Do not use in commercial food processing, preparation, serving or storage areas. In the home all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food.

Remove pets, birds and cover fish aquariums before spraying.

**PHYSICAL HAZARDS:**

**EXTREMELY FLAMMABLE:** Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**STORAGE AND DISPOSAL:**

**Storage:** Store in a cool area away from heat or open flame. **Disposal:** Do not reuse empty container. Wrap container and put in trash collection.

**For Control of Wasps and Hornets:** It is preferable to apply this product after dark when all the insects have returned to the nest. Aim valve opening at the nest and depress bottom, continuing to spray until the nest is soaked with the spray. Repeat as necessary.
