CAUTION

Keep Out of Reach of Children

HARMFUL IF SWALLOWED

- Avoid breathing dust, contact with skin and eyes. Wear gloves.
- Wash hands, arms and face thoroughly with soap and water before eating or smoking.
- Do not contaminate feed and food.
- Wash all contaminated clothing with soap and hot water before re-use.

ANTIDOTE—

TRITHION may cause cholinesterase inhibition. Call a physician immediately in all cases of suspected poisoning. ATROPINE IS ANTIDOTAL. 2-PAM is also antidotal when administered early, and in conjunction with atropine.

EPA Reg. No. 476-1330

OBSERVE THE FOLLOWING USE PRECAUTIONS

Read all label directions before using.

Use only for claims listed and only as specified on this label.

Fish and Wildlife Cautions: Toxic to fish and wildlife. Keep out of lakes, streams and ponds. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment, or disposal of wastes. Birds feeding on treated areas may be killed.

RECOMMENDATIONS AND DIRECTIONS FOR USE

LAWN AND TURF: Chinch Bugs — Apply 7 lb. of this material on 2,000 sq. ft. (40' x 50') of lawn. Most garden fertilizer spreaders when set on the number used for small grass seed will correctly distribute this material. Immediately after application, drench with water or sprinkle thoroughly.

Do not permit children or domestic animals on lawn or turf until treated area is completely dry.

NOTICE: Stauffer Chemical Company makes no warranty, express or implied, including the warranties of merchantability, and/or fitness for any particular purpose, concerning this material, except those which are contained on Stauffer's label.
