PRECAUTIONARY STATEMENTS

Hazards To Humans and Domestic Animals

WARNING:

Harmful if swallowed, inhaled, or absorbed through the skin. Avoid contact with skin, eyes, or clothing. Avoid breathing vapor, mist, or dust. When handling, wear goggles, face shield, rubber gloves, appropriate NIOSH-approved pesticide respirator, and protective clothing.

Keep out of domestic or animal water supplies. Do not store or transport with food or animal feed.

Statement of Practical Treatment:

If poisoning occurs or is suspected, immediately start the recommended procedures below and simultaneously contact a physician, the nearest hospital, or a poison control center for advice.

NOTE: Be sure to advise the physician that the compound is a cholinesterase inhibitor and follow his or her advice.

If swallowed, immediately dilute the swallowed material by giving large quantities of water and induce vomiting by gagging the victim with a finger or blunt object placed at the back of the victim's tongue. Continue fluid administration until vomitus is clear. Never give anything by mouth to an unconscious person. Obtain medical attention immediately.

In case of contact, immediately flush eyes or skin with plenty of water for at least fifteen minutes while removing contaminated clothing and shoes. For eyes, hold eyelids apart during the flushing to insure rinsing of the entire surface of the eye and lids with water and get medical attention immediately. Wash contaminated clothing before re-use.

If inhaled, remove from contaminated atmosphere. Obtain medical attention if respiratory irritation occurs.

NOTE TO PHYSICIAN: Atropine by injection is antidotal. 2-PAM is also antidotal when administered early and in conjunction with atropine.

Environmental Hazards

This product is toxic to fish.

Keep out of lakes, streams, and ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

Betasan

TECHNICAL

SELECTIVE HERBICIDE FOR FURTHER MANUFACTURE OF PESTICIDES ONLY

ACTIVE INGREDIENT:
 Bensulide: S-(O,O-Diisopropyl phosphorodithioate) ester
 of N-(2-mercaptoethyl)benzenesulfonamide 92.0%

INERT INGREDIENTS: 8.0%

100.0%

KEEP OUT OF REACH OF CHILDREN

WARNING

EPA Reg. No. 476-2106 **500 lbs. Net, 227.3 kg**
 EPA Est. No. 476-AL-1 A-1

This product is sold only for uses stated on the label. No express or implied license is granted to use or sell this product under any patent in any country except as specified:
 Country: United States. Patent No.: 3,205,253.

Made in U.S.A. by

STAUFFER CHEMICAL COMPANY
WESTPORT, CT 06880

STORAGE AND DISPOSAL

IMPORTANT: Store at warm temperatures, but not above 115°F. Some crystallization may occur at 95°F, but product normally super-cools to remain liquid at much lower temperatures.

Use warm water (110°-140°) on exterior of vented drum(s) to melt any crystallized material. Do not contaminate BETASAN with water. **DO NOT USE STEAM.** Use jacketed or insulated equipment for bulk transfer and storage to prevent crystallization.

1. **PROHIBITIONS:** Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.
2. **PESTICIDE DISPOSAL:** Pesticide or rinsate that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.
3. **CONTAINER DISPOSAL:** Reseal container and offer for reconditioning; or triple rinse (or equivalent) and offer for recycling, reconditioning, or disposal in approved landfill, or bury in a safe place.
4. **GENERAL:** Consult federal, state or local disposal authorities for approved alternative procedures, and observe all local, state and federal laws and regulations regarding disposal, spill, cleanup, removal, or discharge.
5. **SPILL OR LEAK:** If liquified, absorb spilled material on an inert absorbent such as clay or fuller's earth. Sweep up absorbent and dispose of in a suitable chemical waste container. Wash spill area with a detergent-water slurry. Flush spill area with water. If solidified, carefully sweep up spilled material. Dispose of waste in a suitable chemical waste container. Wash spill area as with liquid spill.

NOTICE: Stauffer Chemical Company makes no warranty, express or implied, including the warranties of merchantability and/or fitness for any particular purpose, concerning this material, except those which are contained on Stauffer's label.
