MAR 21 1985

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 476-2106

92.0%
8.0%

Keep Out of Reach of Children

WARNING

STATEMENT OF PRACTICAL TREATMENT

If poisoning occurs or is suspected, immediately start the recommended procedures below and simultaneously contact a physician, the nearest hospital, or a poison control center for advice.

NOTE: Be sure to advise the physician that the compound is a cholinesterase inhibitor and follow his or her advice.

If swallowed, immediately dilute the swallowed material by giving large quantities of water and induce vomiting by gagging the victim with a finger placed at the back of the victim's tongue. Continue fluid administration until vomitus is clear. Never give anything by mouth to an unconscious person. Obtain medical attention immediately.

In case of contact, immediately flush eyes or skin with plenty of water for at least fifteen minutes while removing contaminated clothing and shoes. For eyes, hold eyelids apart during the flushing to insure rinsing of the entire surface of the eye and lids with water and get medical attention immediately. Wash contaminated clothing before reuse.

If inhaled, remove from contaminated atmosphere. Obtain medical attention if respiratory irritation occurs.

FOR FURTHER MANUFACTURE OF PESTICIDES ONLY

NOTE TO PHYSICIAN: Atropine by injection is antidotal. 2-PAM is also antidotal when administered early and in conjunction with atropine.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

Harmful if swallowed, inhaled, or absorbed through the skin. Avoid contact with skin, eyes, or clothing. Avoid breathing vapor, mist, or dust. When handling, wear goggles, face shield, rubber gloves, appropriate NIOSH-approved pesticide respirator, and protective clothing.

Keep out of domestic or animal water supplies. Do not store or transport with food or animal feed.

ENVIRONMENTAL HAZARDS

Do not discharge into lakes, streams, ponds, or public waters unless in accordance with an NPDES permit. For guidance contact your Regional Office of the EPA.

DIRECTIONS FOR USE

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- This pesticide is for the further manufacture of formulated pesticides only.
- Formulators using this product are responsible for obtaining EPA registration for their formulated products.

CONTAINER HANDLING: After emptying, replace valve caps and tightly re-bolt top hatch of tank truck. Follow Stauffer's instructions for return of empty tank truck.

NOTICE: Stauffer Chemical Company makes no warranty, express or implied, including the warranties of merchantability and/or fitness for any particular purpose, concerning this material, except those which are contained on Stauffer's label.

IN CASE OF AN EMERGENCY: Immediately call (24 hour) (800) 424-9300 Chemtrec or (203) 226-6602 Stauffer Chemical Company.
