Vernam® 7-E

Selective Herbicide

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed.

Avoid contact with skin, eyes and clothing. Avoid inhalation of spray mist. Wear rubber gloves, goggles and protective clothing. Wash with soap and water immediately after use or contact. Do not contaminate food and feed. Keep away from heat and flame.

Environmental Hazards

Keep out of lakes, ponds or streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

*liquid herbicide for
weed control in soybeans
and peanuts*

Statement of Practical Treatment: First Aid

If swallowed:

DO NOT induce vomiting. Immediately give large quantities of water. If vomiting does occur, give fluids again. Never give anything by mouth to an unconscious person. Call a physician or the nearest Poison Control Center immediately.

For eye contact:

Hold eyelids apart and flush with large amounts of running water for a least 15 minutes. Call a physician.

For skin contact:

Flush with large amounts of running water for 15 minutes. Remove contaminated clothing and shoes. Wash clothing before reuse.

If inhaled:

Remove to fresh air. Get medical attention if respiratory irritation occurs.

Vernam[®]

7-E

Selective Herbicide

Crops Protected

Storage and Disposal

Prohibitions:

Do not contaminate water, food, feed or fertilizer by storage or disposal.

Storage:

Keep container tightly closed when not in use. Can be stored at temperatures as low as minus 50° F.

Pesticide Disposal:

Rinse spray equipment. Pesticide spray mixture or residue that cannot be used according to label instructions must be disposed of according to applicable Federal, State or local procedures.

Container Disposal:

Triple rinse (or equivalent). Puncture and dispose of in a sanitary landfill, or by incineration if allowed by State and local authorities.

Notice—Read Carefully

Conditions of Sale:

Stauffer (and seller) offer(s) this product for sale subject to, and buyer and all users are deemed to have accepted, the following conditions of sale and warranty which may only be varied by written agreement of a duly authorized representative of Stauffer.

Warranty Limitation:

Stauffer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the directions for use on the label subject to the inherent risks referred to below. Stauffer makes no other express warranties. THERE IS NO IMPLIED WARRANTY OF MERCHANTABILITY and there are no warranties which extend beyond the description on the label hereof.

Inherent Risks:

The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with use. Buyer assumes all risks associated with use or application of this product contrary to label instructions or resulting from extraordinary weather conditions.

Limitation of Liability:

In no case shall Stauffer be liable for special, indirect or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect of which such damages are claimed.

This product is sold only for uses stated on its label. No express or implied license is granted to use or sell this product under any patent in any country except as specified. Country: United States of America.
