

- Do not get in eyes, on skin or on clothing.
- Wear goggles or face shield and rubber gloves when handling.
- Harmful or fatal if swallowed.
- Avoid contamination of food.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

Do not use, pour, spill or store near heat or open flame.

*Formula for this product contains not more than 18% phosphorus as phosphates.

Made in U.S.A. by

**STAUFFER CHEMICAL COMPANY
CHEMICAL SYSTEMS DIVISION
WESTPORT, CT 06880**

DIRECTIONS FOR USE

For sanitizing food, beverage and dairy equipment:

1. Immediately after use, rinse equipment with clear water.
2. Clean equipment in normal manner.
3. Rinse thoroughly with clear water.
4. Allow to air dry taking care to protect all food contact surfaces.
5. Just before use, prepare a solution of one (1) fluid ounce CLENESCO ARC to six (6) gallons water to provide 200 ppm dodecylbenzene sulfonic acid. Sanitize equipment by dipping, wiping or scrubbing using the prepared solution.
6. Allow equipment to drain before use.

DISPOSAL

Rinse empty container thoroughly with water and discard it.
