PRECAUTIONARY STATEMENTS
 Hazards to Humans and Domestic Animals
CAUTION
HARMFUL IF SWALLOWED - Avoid contact with skin, eyes and clothing. Avoid inhalation of spray mist. Wear rubber gloves and fresh clothing. Wear goggles to avoid contact with eyes. Wash with soap and water immediately after use or contact. Do not contaminate food or feed.
ENVIRONMENTAL HAZARDS - Keep out of ponds, streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

STORAGE AND DISPOSAL
PROHIBITIONS: Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.
STORAGE: Keep container tightly closed when not in use. Do not store near seeds, fertilizers or fire-stuffs. Can be stored at temperatures as low as 32°F.
PESTICIDE DISPOSAL: Rinse spray equipment. Pesticide, spray mixture, or rinsate that cannot be used according to label instructions must be disposed of according to Federal, State or local procedures under the Resource Conservation and Recovery Act.
CONTAINER DISPOSAL: Triple rinse (or equivalent) and offer for recycling, or reconditioning, or disposal in a sanitary landfill, or by other approved State and local procedures.

Eradicane® Extra 6-E

EMULSIFIABLE LIQUID — Selective Herbicide for Control of Weeds in Corn (Field, Sweet, Silage and Popcorn) including Nutsedge, Bermudagrass, Seedling Johnsongrass, Quackgrass, and Suppression of Rhizome Johnsongrass, Wild Cane and Wild Proso Millet.

ACTIVE INGREDIENT:		
ETHYL DIPHOSPHIC ACID	72.2	
INERT INGREDIENTS:	27.8	
		100

Keep Out of Reach of Children
CAUTION
STATEMENT OF PRACTICAL TREATMENT **HARMFUL IF SWALLOWED**
FIRST AID: If swallowed, do not induce vomiting. Immediately give large quantities of water if vomiting does not occur. Never give anything by mouth to an unconscious person. Call a physician in the nearest community center immediately. For eye contact, immediately flush eyes with plenty of water for at least 15 minutes. Hold eyelids apart during flushing to insure flushing of the entire surface of the eye and flush with water. Call a physician. For skin contact, flush with large amounts of water for 15 minutes. Remove contaminated clothing and shoes. Get medical attention if irritation occurs. Wash clothing before reuse. If it has to remain on, fresh air. Seek medical attention if respiratory irritation occurs.
NOTE TO PHYSICIAN: If needed, give supportive treatment of fluid, electrolyte and respiratory systems. Have a physician promptly determine if contact with product will permit evaluation of stomach.

STATEMENT OF PRACTICAL TREATMENT

HARMFUL IF SWALLOWED

FIRST AID: If swallowed, do not induce vomiting. Immediately give large quantities of water. If vomiting does not relieve fullness, call a physician. Never give anything by mouth to an unconscious person. Call a physician at the nearest poison control center immediately. For eye contact, immediately flush eyes with plenty of water for at least 15 minutes. Hold eyes as apart during flushing to ensure rinsing of the entire surface of the eye and lids with water. Call a physician. For skin contact, flush with large amounts of water for 15 minutes. Remove contaminated clothing and shoes. Get medical attention if irritation occurs. Wash thoroughly before reuse. If inhaled, remove to fresh air. Seek medical attention if respiratory irritation occurs.

NOTE TO PHYSICIAN: If ingested, give supportive treatment of cardiovascular and respiratory systems. Have a physician promptly determine condition of patient with particular regard to stomach.
