HARMFUL IF SWALLOWED

STATEMENT OF PRACTICAL TREATMENT

If a known exposure occurs or is suspected, immediately start the recommended procedures below. If further treatment is required, contact a Poison Center, A physician, or the nearest hospital. For additional information, call collect, day or night, Chemtrec (800) 424-9300 or Stauffer Chemical Company (203) 226-6602.

If Swallowed: Immediately give several glasses of water and induce vomiting by gagging the victim with a finger placed on the back of the victim's tongue. Give fluids until vomitus is clear. If victim is unconscious or convulsing, do not induce vomiting or give anything by mouth.

For Eye Contact: Hold eyelids apart and flush eyes with large amounts of running water for 15 minutes. Seek medical attention if irritation occurs.

For Skin Contact: Flush all affected areas with plenty of water for several minutes. Remove and clean contaminated clothing and shoes. Seek medical attention if skin irritation occurs.

If Inhaled: Remove to fresh air. Get medical attention if respiratory irritation occurs or if breathing becomes difficult.

For further information see Stauffer's Product Safety Information Sheet on Vernam® Technical.

This product is sold only for the uses stated on its label. No express or implied license is granted to use or sell this product under any patent in any country except as specified.
Country: United States of America.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

C A U T I O N

HARMFUL IF SWALLOWED. Avoid contact with skin, eyes and clothing. Avoid breathing vapors. Wear goggles, rubber gloves and appropriate protective clothing. Wash skin with soap and water immediately after contact.

ENVIRONMENTAL HAZARDS: Do Not discharge into lakes, ponds or public waters unless in accordance with an NPDES permit. For guidance contact your regional office of the EPA.

SPILL HANDLING: Absorb spilled material on an inert absorbent such as clay. Sweep up absorbent and dispose of in a suitable chemical waste container. Wash spill area with a detergent-water slurry. Spread absorbent on the slurried liquid and shovel absorbent material into chemical waste container. Flush spill area with water; observe environmental precautions. Seal container and dispose of contaminated material according to applicable Federal, state or local procedures.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is intended for further manufacturing of pesticides only. All formulators are responsible for obtaining EPA registration for their formulated product.

STORAGE AND DISPOSAL

PROHIBITIONS: Do not contaminate water, food or feed by storage or disposal.

PESTICIDE DISPOSAL: Pesticide that cannot be used according to label instructions must be disposed of according to applicable Federal, State, or local procedures.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved State and local procedures.

Alternate container disposal statement for tank cars:

CONTAINER HANDLING: After emptying, replace valve caps and tightly re-bolt top hatch of tank car. Follow Stauffer's instructions for return of empty tank car.

NOTICE: Stauffer Chemical Company makes no warranty, express or implied, including the warranties of merchantability and/or fitness for any particular purpose, concerning this material, except those
