US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (75-767) WASHINGTON, DC 20460  <b>NOTICE OF PESTICIDE:</b> <input checked="" type="checkbox"/> REGISTRATION <input type="checkbox"/> Reregistration (Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)	EPA REGISTRATION 476-2239	DATE OF ISSUANCE <b>SEP 7 1988</b>
	TERM OF ISSUANCE Conditional	
	NAME OF PESTICIDE PRODUCT Oxoram Technical Herbicide	

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

ICI Americas, Inc.  
 Agricultural Products  
 Wilmington, DE 19897

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
  - a. Add the phrase "EPA Registration No. 476-2239."
  - b. Change "May be harmful if swallowed" to read "Harmful if swallowed." Based on reported results for the acute studies cited, this statement should also be expanded to read "Harmful if swallowed, inhaled or absorbed through skin." Add "Causes moderate eye injury."
  - c. Change the reference to Stauffer in the warranty paragraph to ICI Americas, Inc.
3. Submit/cite stability testing involving reaction to metals/metal ions and sunlight.

ATTACHMENT IS APPL IABLE

SIGNATURE OF APPROVING OFFICIAL \_\_\_\_\_ DATE **SEP 7 1988**

4. Submit one (1) copy of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

~~May be~~ harmful if swallowed

STATEMENT OF PRACTICAL TREATMENT

CALL A POISON CENTER OR PHYSICIAN IMMEDIATELY

If a known exposure occurs or is suspected, immediately start the procedures given below and contact a Poison Center, physician or the nearest hospital.

NOTE: Be sure to advise the person contacted that the product is a weak cholinesterase inhibitor in experimental animals. Describe the type and extent of exposure, the victim's symptoms, and follow the advice given.

Note to medical personnel: If cholinesterase inhibition is suspected, atropine by injection is antidotal. It has not been determined if pralidoxime chloride (2-PAM, protopam) is antidotal for the product.

If swallowed, immediately give several glasses of water and induce vomiting by gagging the victim with a finger placed on the back of the victim's tongue. Give fluids until vomitus is clear. Do not induce vomiting or give anything by mouth to an unconscious or convulsing person.

If in eyes, immediately flush eyes with large amounts of water for at least 15 minutes. Hold eyelids apart during flushing to ensure rinsing of the entire surface of the eye and lids with water. Get medical attention immediately.

If on skin, flush affected areas with plenty of water for several minutes. Remove contaminated clothing and shoes. Get medical attention if irritation occurs.

If inhaled, remove to fresh air. Seek medical attention if respiratory irritation occurs or breathing becomes difficult.

FOR 24-HOUR EMERGENCY MEDICAL ASSISTANCE, CALL ICI AMERICAS MEDICAL EMERGENCY INFORMATION CENTER (800) 327-8633 OR CHEMTREC (800) 424-9300.

For other product information, contact your local ICI Americas Inc. Distributor.

This product is sold only for uses stated on its label. No express or implied license is granted to use or sell this product under any patent in any country except as specified: Country: United States of America. Patent No.: 3,573,031

## PRECAUTIONARY STATEMENTS

## Hazards to Humans And Domestic Animals

## CAUTION

*or absorbed through skin*  
~~MAY BE HARMFUL IF SWALLOWED.~~ Avoid contact with skin, eyes and clothing. Wash with soap and water after use. Avoid breathing vapor. Avoid contamination of feed and food. Repeated skin contact may cause cumulative effects.

Environmental Hazards: This product is extremely toxic to fish. Do not discharge into lakes, ponds or public waters unless in accordance with an NPDES permit. For guidance contact your Regional Office of the EPA.

SPILL OR LEAK

Make sure all personnel involved in the spill cleanup are aware of the hazards associated with this material.

A small spill can be handled routinely considering the physical and hazardous properties of the product as well as the location of the spill. Use adequate ventilation and wear protective clothing, to prevent skin and eye contact. Soak up pooled liquid as follows:

1. Spread a suitable absorbent such as clay on the liquid.
2. Place sweepings in an open drum.
3. Generously cover the contaminated area with a common household detergent (e.g., TIDE\*). Using a stiff brush, work the detergent into the spill material using sufficient water to form a slurry. Brush the slurry into cracks and crevices; and allow to stand for 2 to 3 minutes. Be careful to completely avoid skin or eye contact; do not splatter on one's self or bystanders.
4. Spread absorbents on the slurred liquid, and shovel the absorbed material into an open drum.
5. Repeat if necessary.
6. Flush the area with water, while observing proper environmental considerations.
7. Seal drum and dispose of contaminated material in an approved pesticide dump.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is intended for further manufacturing of pesticides only. All formulators are responsible for obtaining EPA registration for their formulated product.

STORAGE AND DISPOSAL

Storage: Do not store near seeds and fertilizer. Keep container closed when not in use. Open dumping is prohibited. Do not reuse empty container.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

NOTICE: Stauffer Chemical Company makes no warranty, express or implied, including the warranties of merchantability and/or fitness for any particular purpose, concerning this material, except those which are contained on Stauffer's label.
