Do not contaminate water by cleaning of equipment, or disposal of wastes.

Apply this product only as specified on this label.

FLAMMABLE MATERIAL. KEEP AWAY FROM HEAT AND OPEN FLAME.

DIRECTIONS

Pour the recommended amount of Endrin 1.6-E into a partly filled spray tank. Add remainder of water to fill the tank. Keep agitator running during filling and spraying operations. Do not allow mixture to stand. If concentrate does not mix readily but tends to separate as an oily layer, do not use as injury to the plants may result. Do not combine emulsifiable concentrates with wettable powders in the same spray tank unless previous use of the materials being combined has proven them to be physically compatible.
