PLEASANTLY SCENTED

REAL-KILL

INSECT REPELLENT

Gives long-lasting protection from Mosquitoes, Gnats, Chiggers, Biting Flies and Ticks because it contains Toluamide, used by the Armed Forces. Lets you enjoy outdoor activities more!

DIRECTIONS

Spray on all exposed skin areas. Hold container about 10 inches away from you when spraying. Rub pleasantly scented REAL-KILL Insect Repellent into skin. When applying to face, spray on hands then spread on face. Use caution around eyes and lips.

For Ticks and Chiggers: Spray on tops of shoes, socks, and along openings of clothing.

CAUTION: Do not take internally. Avoid contact with eyes and lips. Avoid contact with plastics, acetate and rayon fabrics and painted and varnished surfaces. Contents under pressure. Do not puncture container or throw into fire. Keep at room temperature, away from direct sunlight, stoves and other heat. Keep out of reach of children.
