

JUN 28 1991

Mr. William H. Metzger  
Realex  
Division of United Industries, Corp.  
P.O. Box 15842  
St. Louis, MO 63114

Dear Mr. Metzger:

Subject: Revised Labeling  
Real-Kill Insect Repellent Spray  
EPA Reg. No. 478-40  
Submissions: July 7, September 10, September 28, 1990  
May 2, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment.

- 1) Reinstate the previous format for the ingredient statement. The revised version may be incorrectly interpreted as 30% active ingredients.
- 2) Delete the claim, "Protection that lasts and lasts".

The formula statement dated July 7, 1990 is acceptable and replaces all previously approved formulas under this registration.

Sincerely,

  
Richard F. Mountfort  
Product Manager (10)  
Insecticide-Rodenticide Branch  
Registration Division (H7505C)

Reg # 478-40

PM - 10

Repels mosquitoes, ticks, gnats, chiggers, fleas, deer flies, stable flies, black flies, no-see-ems and fleas on exposed skin surfaces.

**Directions for Use**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Easy to use unit SPRAY IN ANY POSITION

Provides hours of protection from mosquitoes, gnats, chiggers, fleas, ticks, no-see-ems and other biting insects. This non-greasy, water-based formula is pleasantly scented, non-stinging and contains the most effective insect repellent ever developed.

Hold unit 6 to 8 inches from skin or clothing while spraying making sure to keep spray pointed away from face. Slightly moisten skin or clothing with slow, sweeping motion. To apply to face, spray in palm of hand in short bursts and spread on face and neck, except near eyes and mouth. For ticks, fleas and chiggers also spray pant cuffs, socks and around openings in outer clothing. Will not damage nylon, cotton or wool.

**Storage and Disposal**

Store in cool, dry area away from heat or open flame. Discard container in trash. Do not puncture or incinerate.
