

Repels mosquitoes, ticks, gnats, chiggers, fleas, deer flies, stable flies, black flies, no-see-ems and fleas on exposed skin surfaces.

Read all directions before using this product.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Easy to use unit **SPRAYS IN ANY POSITION**

Provides hours of protection from mosquitoes, gnats, chiggers, fleas, ticks, no-see-ems and other biting insects. This non-greasy, water-based formula is pleasantly scented, non-stinging and contains the most effective insect repellent ever developed.

SHAKE WELL BEFORE USING

Hold unit 6 to 8 inches from skin or clothing while spraying making sure to keep spray pointed away from face. Slightly moisten skin or clothing with slow, sweeping motion. Frequent reapplication and saturation is unnecessary. To apply to face, spray in palm of hand in short bursts and spread on face and neck, except near eyes and mouth. Do not apply to the hands of small children. For ticks, fleas and chiggers also spray pant cuffs, socks and around openings in outer clothing. Do not apply on skin under clothing. Wash treated skin after returning indoors. Will not damage nylon, cotton or wool. Wash treated clothing after use.
