**REAL-KILL**

**WEED KILLER CONCENTRATE**

FOR SPOT TREATING BROADLEAF WEEDS IN AWN

**KILLS DANDELION, PLANTAINS, CHICKWEED, POISON IVY, WILD ONION, OXALIS** and many other broadleaf weeds

Read entire label. Use strictly in accordance with label cautions, warnings and directions; and in conformity with Federal and State regulations.

**DIRECTIONS:**

Pour 4 fluid ounces into REAL-KILL Spot Weed Killer spray bottle. (See handy measuring guide on side of label.) Fill spray bottle with water. Replace gun and follow directions on spray bottle label. Adjust gun to deliver coarse spray. Coarse sprays are less likely to drift.

Stand as close to weed as possible. No need to stoop or squat with jet stream weed gun. Drench leaves and stems of weeds. Spray thoroughly to completely wet weed. One application will kill most broadleaf weeds. (Repeat application if it rains within 24 hours). If certain tough weeds are not dead in three weeks, repeat application.

After application, weeds sprayed may flourish for a short time. The ingredients force the weed to grow so fast that the whole plant dies.

**MONEY-BACK GUARANTEE**

Unconditionally guaranteed to give complete satisfaction when used according to directions, or your money back. Mail label to REAL-KILL for full refund.

**ACTIVE INGREDIENTS:**

Dimethylamine salt of 2,4-dichlorophenoxyacetic acid	3.78%
(equivalent to 2,4-dichlorophenoxyacetic acid, 3.14%)	
Dimethylamine salt of dicamba (3,6-dichloro-p-anisic acid)*	0.82%
(equivalent to 3,6-dichloro-p-anisic acid, 0.68%)	
Dimethylamine salts of related acids	0.13%
Triethylamine salt of 2,4,5-trichlorophenoxyacetic acid	2.21%
(equivalent to 2,4,5-trichlorophenoxyacetic acid, 1.58%)	
<b>INERT INGREDIENTS</b>	<b>93.06%</b>

**CAUTION**

Keep out of reach of children. Avoid contact with skin, eyes and clothing. Do not take internally. Wash hands after use. Certain grasses, such as bentgrass, St. Augustine, Dichondra, Carpet Grass or clover lawns are sensitive to herbicides and may be temporarily injured. Be careful when treating weeds not to spray surrounding grasses. Also avoid drifting, spraying, or splattering on nearby flowers and other desirable plants. Do not apply within the dripline of desirable trees and shrubs. Never reuse empty container. Wash thoroughly with water and detergent. Discard in a safe place. Keep from freezing.
