Ant & Roach Killer

Mata Cucarachas Hormigas

CAUTION—PRECAUCION:
KEEP OUT OF REACH OF CHILDREN.

MANTENGASE FUERA DEL ALCANCE DE LOS NIÑOS.

Read cautions and directions on back before using.
Lea las advertencias e instrucciones al dorso antes de usarlo.

NET WT. 15 OZ.

Mata Cucarachas Hormigas

REAL-KILL

Directions: FOR HOUSEHOLD USE and for spot application ONLY. HOLD CONTAINER UPRIGHT about 12" from the surface to be sprayed. Spray until surface is wet. Repeat as necessary.

Roaches, Waterbugs, Crickets, Silverfish, Spiders, Scorpions
Spray baseboards, cracks and crevices, around door and window frames, and other hiding places such as closets, in back of and under appliances, sinks, and cupboards in the kitchen and bathroom. In basements, spray such hiding places as cracks and crevices, lower walls, and dark places.

Ants
Apply to ant trails and around door sills, window frames, and other places where ants may enter.

Flies, Wasps, Hornets, Flying Moths, Mosquitoes
Outdoors: Spray window wells and foundation wall above soil level, door and window frames. Spray surfaces near light fixtures and other areas where insects are frequently seen or congregate. Do not spray vegetation.

INSTRUCCIONES PARA USO DOMESTICO: Aplicar en áreas especificadas solamente. SOSTENGA ENVASE EN POSICION VERTICAL a 12" de la superficie a ser rociada. Rocíe hasta humedecerla. Repita si es necesario.

Cucarachas, Chinches de Agua, Grillos, Lepismas, Arañas, Escorpiones
Rocíe las molduras, rendijas y grietas del piso, sobre marcos de puertas y ventanas, dentro de armarios, debajo y detrás de utensilios, fregaderos, armarios de cocina y de baño. En sótanos, rocíe lugares escondidos como rendijas y grietas, la parte inferior de las paredes y áreas oscuras.

Hormigas
Aplicarlo en los senderos de hormigas sobre el umbral de puertas, marcos de ventanas y otros lugares de acceso para las hormigas.

Moscas, Avispas, Avispones, Polillas Voladoras, Mosquitos
Afuera: Rocíe la base de ventanas, cimientos de paredes sobre el nivel del suelo, marcos de puertas y ventanas, superficies cercanas a instalaciones eléctricas y otras áreas donde aparecen o se reúnen frecuentemente los insectos. No rocíe las plantas.

CAUTION: FLAMMABLE
PRECAUCION: INFLAMABLE

Do not spray into or near open flame.

Do not smoke while spraying. Do not use in edible products areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

CAUTION: Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing mist or contact with skin. Do not apply to humans. Keep out of reach of children. Do not allow children or pets to contact treated surfaces until dry. Do not spray dishes, utensils, water or food. Remove pets and cover fish bowls before spraying. Avoid excessive wetting of asphalt tile and siding, rubber, and plastic materials. Wash thoroughly after using.

If swallowed, induce vomiting immediately and get medical attention. Atropine is antidotal. 2-PAM is also antidotal and may be administered in conjunction with atropine.

WARNING: Contents under pressure. Do not puncture or throw container into fire. Do not store in direct sunlight, on stoves, radiators, or any place where the temperature exceeds 120° F, which may cause container to burst.

ACTIVE INGREDIENTS: Petroleum distillate, 96.184%; O, O-diethyl O-(2-isopropyl-4-methyl-6-pyrimidinyl) phosphorothioate, 0.000%; n-octyl sulfoxide of isosafrole, 0.132%; related compounds, 0.018%; pyrethrins, 0.045%.

INERT INGREDIENTS: 3.121%

Mata Cucarachas Hormigas

Directions: FOR HOUSEHOLD USE and for spot application only. **HOLD CONTAINER UP-RIGHT** about 12" from the surface to be sprayed. Spray until surface is wet. Repeat as necessary.

INSTRUCCIONES PARA USO DOMESTICO: Aplicar en áreas especificadas solamente. **SOSTENGA ENVASE EN POSICION VERTICAL** a 12" de la superficie a ser rociada. Rocíe hasta humedecerla. Repita si es necesario.

Roaches, Waterbugs, Crickets, Silverfish, Spiders, Scorpions
Spray baseboards, cracks and crevices around door and window frames and other hiding places such as closets, in back of and under appliances, sinks and cupboards in the kitchen and bathroom. In basements, spray such hiding places as cracks and crevices, lower walls, and dark places.

Cucarachas, Chinches de Agua, Grillos, Lepismas, Arañas, Escorpiones
Rocíe las molduras, rendijas y grietas del piso, sobre marcos de puertas y ventanas, dentro de armarios, debajo y detrás de utensilios, fregaderos, armarios de cocina y de baño. En sótanos, rocíe lugares escondidos como rendijas y grietas, la parte inferior de las paredes y áreas oscuras.

Ants
Apply to ant trails and around door sills, window frames, and other places where ants may enter.

Hormigas
Apliquelo en los senderos de hormigas sobre el umbral de puertas, marcos de ventanas y otros lugares de acceso para las hormigas.

Flies, Wasps, Hornets, Flying Moths, Mosquitoes
Outdoors: Spray window wells and foundation wall above soil level, door and window frames. Spray surfaces near light fixtures and other areas where insects are frequently seen or congregate. Do not spray vegetation.

Moscas, Avispas, Avispones, Polillas Voladoras, Mosquitos
Afuera: Rocíe la base de ventanas, cimientos de paredes sobre el nivel del suelo, marcos de puertas y ventanas, superficies cercanas a instalaciones eléctricas y otras áreas donde aparecen o se reúnen frecuentemente los insectos. No rocíe las plantas.

**CAUTION: FLAMMABLE
PRECAUCION: INFLAMABLE**

Do not spray into or near open flame.
Do not smoke while spraying.
Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

No rocíe sobre el fuego ni cerca a él.
No fume mientras lo usa.
No lo use sobre las áreas donde están los productos alimenticios en las plantas, procesadoras, restaurantes u otros lugares similares. No lo use en sitios de servicio con alimentos descubiertos.

CAUTION: Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing mist or contact with skin. Do not apply to humans. Keep out of reach of children. Do not allow children or pets to contact treated surfaces until dry. Do not spray dishes, utensils, water or food. Remove pets and cover fish bowls before spraying. Avoid excessive wetting of asphalt tile and siding, rubber and plastic materials. Wash thoroughly after using.
If swallowed, induce vomiting immediately and get medical attention. Atropine is antidotal. 2 PAM is also antidotal and may be administered in conjunction with atropine.
WARNING: Contents under pressure. Do not puncture or throw container into fire. Do not store in direct sunlight, on stoves, radiators, or any place where the temperature exceeds 120° F, which may cause container to burst.

PRECAUCION: Nocivo si se ingiere, inhala o absorbe a través de la piel. Evite aspirarlo y su contacto con la piel. No lo use con las personas. Manténgalo fuera del alcance de los niños. No permita tocar a niños y animales áreas rociadas hasta que estén secas. No rocíe platos, utensilios, agua o alimentos. Saque afuera los animales y cubra las peceras antes de usarlo. Evite humedecer excesivamente losetas de asfalto, entablados y materiales de caucho o plástico. Lávese bien después de usarlo.
En caso de ingerirlo, provoque vómitos y obtenga atención médica inmediatamente. La atropina y el 2 PAM son antidotos, pueden ser usados conjuntamente.

ACTIVE INGREDIENTS: Petroleum distillate, 96.184%, 0,0-diethyl 0-(2-isopropyl-4-methyl-6-pyrimidinyl) phosphorothioate*, 0.00%, n-octyl sulfoxide of isosafrole, 0.132%, related compounds, 0.018%, pyrethrins, 0.045%.

PRECAUCION: El contenido está bajo presión. No eche el envase al fuego ni lo perforo. No lo guarde en lugares bajo la luz directa del sol ni sobre estufas, radiadores y sitios donde la temperatura pase de los 120° F. Puede explotar el envase.

INERT INGREDIENTS: 3.121%.
