NET WT. 12 OZ.

Flying Insect Killer

REAL-KILL

Kills fast on contact
Fresh, pleasant odor

Directions: SHAKE WELL BEFORE USING. HOLD CONTAINER UPRIGHT FOR HOUSEHOLD USE. Keep nozzle 3 feet from indoor surfaces.

House Flies, Mosquitoes, Gnats: Indoors, close all doors and windows. Pointing nozzle toward fly, the room with most insects, treat for 15-20 seconds. Repeat treatment if necessary. Outside, spray from 3-4 feet away.

Wasps: Spray directly at the insect. Do not spray when children are present. Spray only if the insect is on a surface. Do not spray in the air. Do not spray near food or drink.

Bees, Butterflies, Spiders: Spray directly at the insect. Do not spray when children are present. Spray only if the insect is on a surface. Do not spray in the air. Do not spray near food or drink.

Ants: Spray directly at the insect. Do not spray when children are present. Spray only if the insect is on a surface. Do not spray in the air. Do not spray near food or drink.

CAUTION: Keep out of reach of children. Avoid contact with food. Cover or remove fishbowl and aquarium.

WARNING: Do not use under pressure. Do not puncture. Do not use or store near flame or open flame. Exposure to temperatures above 120°F may cause bursting. Never throw contents into fire or incinerator.
