* Contains petroleum distillates.

Keep Out of Reach of Children

CAUTION See Back for Additional Precautionary Statements
Net Weight 11 oz./311 g

STOP (optional). READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE EACH USE. Hold can upright. Remove protective cap. Aim spray opening away from people. Push button to spray. Apply in short bursts.

KILLS THESE COMMON HOUSEHOLD PESTS

HOUSEFLIES, MOSQUITOES, SMALL FLYING MOTHS, GNATS: Close all doors and windows and direct spray upward into center of room with a slow sweeping motion. Spray 5-10 seconds for average room. Keep room closed for 15 minutes after spraying. Ventilate room thoroughly before re-entry. Sweep up and destroy fallen insects.

COCKROACHES, ANTS, CRICKETS, SOWBUGS, CENTIPEDES, FIREBRATS, SPIDERS: Contact as many insects as possible with the spray in addition to thorough spraying of all parts of the room suspected of harboring these pests. Special attention should be paid to cracks, hidden surfaces under sinks, behind stoves and refrigerators, food storage areas and wherever these pests are suspected of hiding. To kill ants, treat doors, around window frames, ant trails and other areas of entry. Repeat as necessary.

CARPET BEETLES: Directly spray as many insects as possible. Spray both interior and exterior of upholstered furniture. Both top and bottom of rugs and carpets should be sprayed thoroughly. Also treat shelves, closets, areas under furniture and wherever these insects are seen or suspected. Repeat as necessary.

CONFUSED FLOUR BEETLES, SAW-TOOTHED GRAIN BEETLES, RICE WEEVILS: Exposed Forms: Find and destroy infested packaged goods. Remove all other items from pantry. Spray the shelves to kill any of the named insects present. Place clean paper on shelves and return packages after shelves have dried. Repeat as necessary.

FLEAS, BROWN DOG TICKS: Remove and destroy old pet bedding. Spray sleeping quarters of pets around baseboards, window and door frames, wall cracks and local areas of floors. Repeat as necessary. Do not spray animals. Put fresh bedding in pets' quarters after spray has dried. Also treat dogs and cats with a registered flea and tick control product before allowing them to enter treated area.

STORAGE AND DISPOSAL

Storage: Store in a cool place away from heat, direct sunlight, or open flame. Keep in original container and preferably in a locked storage area.

Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed or absorbed through skin. Avoid breathing vapor and spray mist. Avoid contact with skin and eyes. FOR HOUSEHOLD USE ONLY. In the home, all food processing surfaces, exposed food and utensils should be covered during treatment or thoroughly washed before use. Remove pets, birds, and cover fish aquariums before spraying.

Statement of Practical Treatment

If Swallowed: Call a physician or Poison Control Center immediately. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Repeat until vomit fluid is clear. Never induce vomiting or give anything by mouth to an unconscious person. **If on Skin:** Wash contaminated clothing and wash affected areas with plenty of soap and water. **If in Eyes:** Flush eyes with plenty of water. Call a physician if irritation persists. **If Inhaled:** Remove victim to fresh air. Apply artificial respiration if indicated.

Environmental Hazards

This pesticide is highly toxic to fish. Do not apply directly to water. Drift and runoff from treated sites may be hazardous to fish in adjacent waters. Do not contaminate water when disposing of equipment washwaters.

Physical and Chemical Hazards

Contents under pressure. Do not puncture or incinerate. Do not use near heat or open flame. Exposure to temperatures above 130°F may cause bursting.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.

**OPTIONAL SPANISH CLAIMS
AND DIRECTIONS**

**FRAGANCIA FLORAL or
FRAGANCIA ORIGINAL**

**Mata Moscas, Mosquitos
y Otros Insectos Voladores**

**PARE LEA TODA LA ETIQUETA ANTES DE
USAR.**

INSTRUCCIONES PARA SU USO

El uso de este producto de una manera contradictoria a las recomendaciones en esta etiqueta, constituye una infracción de la ley federal.

AGITE BIEN antes de usar. Mantenga el envase en posición vertical. Quite la tapa protectora y apunte la salida del spray hacia donde no haya personas. Empuje el botón para activarlo y aplique el producto poco a poco.

**EXTERMINA LAS SIGUIENTES PLAGAS
DOMESTICAS COMUNES**

MASCAS, MOSQUITOS, POLILLAS, CINIFES (GANTS): Cierre todas las puertas y ventanas y dirija el spray hacia arriba y hacia el centro del cuarto, con un movimiento lento y de lado a lado. Para un cuarto de tamaño normal, rocíe de 5 a 10 segundos y manténgalo cerrado por unos 15 minutos después de haber terminado. Ventille bien el cuarto antes de volver a entrar. Barra, recoja y deseche los insectos que hayan caído.

CUCARACHAS, HORMIGAS, GRILLOS, COCHINILLAS, CIEMPIÉS, LEPISMAS * FIREBRATS*, ARAÑAS: Rocíe con el producto a tantos insectos como le sea posible, además de rociar bien todos los lugares del cuarto donde puedan haber insectos. Debe tener cuidado especial al rociar grietas y rajaduras, y superficies ocultas, tales como debajo del fregadero, detrás de la cocina y del refrigerador, lugares donde se guardan alimentos y dondequiera que puedan esconderse estas plagas. Para matar hormigas, rocíe los marcos de las puertas y ventanas, nidos de hormigas, y por dondequiera que puedan entrar. Repita según sea necesario.

CÓMO ALMACENAR Y DESECHAR

Almacenamiento: Mantenga el producto en un lugar frío, lejos del calor, de

luz solar directa o del fuego. Conserve el producto en su envase original y si es posible en un lugar asegurado. Para desechar: Envuelva el envase original cuidadosamente con varias capas de papel periódico y tirelo a la basura.

PRECAUCIONES

Peligroso Para Seres Humanos Y Animales Domésticos

ADVERTENCIA: Nocivo en caso de ingestión o si se absorbe a través de la piel. Evite respirar el vapor o spray. Evite el contacto con los ojos y la piel. **UNICAMENTE PARA USO DOMÉSTICO.** Cubra todas las superficies donde se preparan los alimentos, y también los alimentos y utensilios que se encuentren expuestos. Lave los utensilios completamente antes de volver a usarlos. Saque del cuarto a los animales domésticos y cubra los acuarios antes de usar el spray exterminador.

Recomendaciones Prácticas En Caso De Accidente

Si se ingiere: Llame inmediatamente a un médico o a un Centro para el Control de Envenenamientos. Tome uno o dos vasos de agua e induzca el vómito metiendo el dedo en la garganta. Repita esto hasta que el vómito se transparente. Nunca trate de inducir el vómito o de darle algo de tomar a una persona que esté inconsciente. **En caso de contacto con la piel:** Lave con abundante agua y jabón la(s) parte(s) afectadas, así como también la ropa que haya sido contaminada. **En caso de contacto con los ojos:** Enjuáguelos bien con agua. Si la irritación persiste, llame al médico. **En caso de haberlo inhalado:** Saque a la víctima al aire fresco. Si es necesario, administre respiración artificial.

Peligros Al Ambiente

Este pesticida es muy tóxico para los peces. No debe aplicarse directamente al agua. Los corrientes procedentes de los sitios tratados pueden ser nocivas a los peces en áreas adyacentes. No contamine el agua al desechar el líquido donde se ha lavado el equipo de aplicación.

Peligros Físicos Y Químicos

El contenido está bajo presión. No perforo ni quemé el envase. No utilice esta producto cerca de fuentes de calor o fuego. El envase puede explotar si se expone a temperaturas de más de 130° F.

AVISO: Si no sigue las instrucciones, el comprador es hace responsable de la seguridad y uso del producto.
