OFFICE OF
PREVENTION, PESTICIDES AND
TOXIC SUBSTANCES

Eric D. Smith
Realex, Division of United Industries, Corp.
P.O. Box 142642
St. Louis, MO 63114-0642

Dear Mr. Smith:

Subject: Real-Kill Outdoor Fogger
EPA Reg. No. 478-101
Submission dated 11/13/07

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. One copy of the finished labeling must be submitted prior to releasing the product for shipment.

Delete the implied safety claim "No wet residue".

Delete "such as" from the following claim: "Kills annoying insects such as..."

Add to the use restrictions the following:

Do not use in enclosed porches.

In accordance with PR Notice 2000-5, Revise the third sentence of the Precautionary Statements to read as follows:

Do not get on skin or in eyes.

If you have questions, please call Ann Sibold at 703 305-6502.

Sincerely,

for Ann Sibold
Richard Gebken

CAUTION See back panel for additional precautionary statements

NET WEIGHT: 13 OZ

STOP. READ ENTIRE LABEL BEFORE USE.

Directions For Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. *For outdoor use only.*

Use Restrictions

Remove or cover exposed food and drinking water before application. Do not allow adults, children or pets to enter the treated area until sprays have dried.

SHAKE WELL BEFORE USING. Point spray nozzle away from face. Hold can at a slight downward angle. For best results, spray when air is calm. Allow a few minutes for product to take effect. Spray with wind if slight breeze is blowing (i.e. under 5 mph).

FLYING INSECTS

Flies, Mosquitoes, Flying Moths, Gnats and Wasps: Spray area infested with these flying insects. Hold container 5-10 ft away from shrubs, bushes and grassy areas. Spray these areas with a slow sweeping motion at the rate of 1 to 3 seconds per cubic yard of space while moving away from the treated area. [To reduce annoyance from these pests treat open porches and patios in a similar manner.] Allow fog to drift over area. Give special attention to breeding areas such as garbage cans and compost piles. Spray only when the air is still. Allow spray to dissipate before occupying the treated area. Repeat as necessary, but no more than once per day.

CRAWLING INSECTS

Ants (except carpenter, fire, pharaoh and harvester ants), Crickets, Sowbugs, and Firebrats. Spray infested surface of patio, campsite, deck or picnic area hitting as many insects as possible. Also spray legs of tables and chairs to repel ants. Spray ant hills for best control. Keep 5 to 10 feet away from ornamental plants while spraying.

STORAGE AND DISPOSAL

Pesticide Storage: Store in a cool place away from heat, direct sunlight, or open flame. **Pesticide Disposal:** Do Not Puncture or Incinerate. If

empty. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if inhaled or absorbed through skin. Do not breathe vapor and spray mist. Avoid contact with skin and eyes. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

First Aid

If Swallowed: Immediately call Poison Control Center or doctor. Do not induce vomiting unless told to do so by Poison Control Center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. **If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice. **If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice. **If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or doctor for further treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

Environmental Hazards

This pesticide is highly toxic to fish, birds and other wildlife. Do not apply directly to water. Drift and runoff from treated sites may be hazardous to fish and aquatic organisms in adjacent waters.

Physical or Chemical Hazards

Contents under pressure. Do not use near heat or open flame. Do not puncture or incinerate. Do not apply this product around electrical equipment due to the possibility of shock hazard. Exposure to temperatures above 130°F may cause bursting.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.

Question or comments? Call 1-800-332-5553

(Optional: Contains no CFC's or other ozone depleting substances. Federal regulations prohibit CFC propellant in aerosols.)
